I heard the Spirit of God say, "There are some who are standing here, that if they will be faithful and seek me as they should and walk in the light and stand faithful in the ministry they have -- I'll suddenly move them over into another ministry and the anointing that will come on them will be increased some double, some tenfold, and even on an hundredfold, but it will not come because you say - twinkle, twinkle - little star, how I wonder what you are. It will not come just because you want it or even desire it, it will come because you put into practice the principles of the Holy Word of God; to follow closely with the Lord and fellowship with Him through His Word and through prayer and to follow closely even in ministry those ministries that the Lord has set in the church and to listen for those ministries and ministry gifts the Lord is saying; I'll minister to you, and suddenly there will come a flash of light and right in the midst of the congregation you will see yourself ministering in another place than where you are now. There are some of you who are standing in this service that while ministers who are faithful are ministering suddenly it will seem as though you have gone off somewhere else and you'll see yourself standing before a multitude of people in another country ministering and you'll say, "How can that be?" But you see if you follow closely with me, saith the Lord, I'll bring to pass that which you have seen in the natural realm will be that which you have seen in the realm of the spirit and you shall rejoice in it and the kingdom of God will be enhanced and the people of God will be blessed and many that are in darkness will come to the light and walk in the light. Some who stand here even in this building in this service tonight who will be so mightily infused with God and anointed with the Holy Ghost and obeying that inward conviction. Oh yes, some will cry out "Oh Lord, deal with me even more in a supernatural way but He will say follow that conviction in your spirit and follow that inward premonition and going in faith across the sea; there are those who stand here tonight that will shake whole nations because of the unction, because of the anointing and they will speak as the prophets of old and out of their mouth shall flow words yet untold; yet the message is ever the same; the words of anointing, power and glory shall flow like a mighty river and away shall the enemy go and will not be able to stand before the flow. Prepare yourself, prepare your heart, prepare yourself for the days that are ahead for great shall be the glory of those days and yet there will be those that will stand on the edge of the crowd and be left as the Spirit of God passes by because they were too busy with the affairs of life and even with church working and doing their own thing, playing church and having a big time soaking up the blessing talking about "all is mine". If all is yours then the heathen are yours as well. Go possess the land, hallelujah, hallelujah, hallelujah, thank you Lord. Some are busy and stand in a small place not because I call them but because they do not have faith to enter in; their heart is dissatisfied, their spirit almost seems to be confused

and at times they will shake their heads in dismay and say, Is this all that I can be used? But yea, saith the Lord, have faith to step out beyond what you see. Some of you have to have faith to leave with no place to see or go because you are dissatisfied because the anointing and unction have lifted and the burden is gone and the peace is gone so step out on his promise sublime and step in the light of life and let it shine; leave behind carnal reasoning and human thinking and all that is natural and say I will follow the dictates of my heart and the convictions of my spirit and the premonition that has been inside me all the time and as you go you will find that the anointing shall grow and grow and grow until when friends come to hear you; those whom you know will say - Is this the same man? Is that the same woman, same person? It seems like I don't know them. They can't be the same but you see the Lord knows the future and if you obey the future will be bright and you will be able to say the Lord doeth all things well and I am an obedient child of the eternal one so I do all things well. Thank you Lord. Some sitting idly by saying, I have nothing to do so I'll stay at home and cry while all around them hungry hearts are waiting to be fed, those in darkness are waiting for the light to shine; others in other lands are holding out their hands. Open your spiritual eyes, close your physical eyes to, oh, oh, see the harvest. See the harvest that's about to go to waste. Say, here am I, Lord, I'll go and mighty shall be the harvest and great shall be the reward and all in the world shall know that the Lord is at work in the earth today and that his servants are quick and willing to obey. Thank you Lord Jesus!

What Does the Future Hold? Prophecy Foretells Good Days

(EDITOR'S NOTE: The following is an excerpt from a prophecy Dr. Kenneth E. Hagin delivered on November 22, 1981 during the Holy Spirit Fall Seminar at BHEMA Bible Church. This is the portion of the prophecy that pertains to the Body of Christ as a whole.)

What does the future hold?

Many are concerned about our own nation and what shall befall us.

And many are concerned about the economy and which direction shall it go!

Is there recession, depression, or what?

And so there is much concern.

Yea, saith the Lord of Hosts, the cries of those who know how to intercede have come up before Me.

Remember that I, under the Old Covenant, said, "I sought for a man among them that would stand in the gap, and make up the hedge, that I should not destroy the land."

And I found a number even here who will stand in the gap and make up the hedge.

And so the land will not be destroyed.

Yea, you shall see that there shall be a turn, a turn to the good. And things will be better, even financially, for many of you who stand here.

Because, you see, saith the Lord, I'm not through yet, and the end has not yet come.

For there will be those who will go out from this place like a shining star.

Yea, there shall be those who shall go out from this place like a flame of fire.

Yea, there shall be those who will go out from THIS place to spread the good news; to tell the story.

And there shall be whole nations that shall be affected. Because, you see, there are nations yet that sit in darkness; so many, looking for the light.

And I'll send the light.

There will be an ingathering of souls, and there will be

a move of My Spirit here in this country that many have never, never seen.

And some didn't even realize it could be so.

Such a manifestation of the power

For the men and women, and My Church, and My own shall learn to worship Me truly, saith the Lord, in Spirit and in truth.

And they will form the spiritual house that I can inhabit.

And I'll manifest Myself.

I will manifest Myself in miracles.

I will manifest Myself in healings.

I will manifest Myself in demonstrations of My Spirit.

And, yea, I'll even manifest Myself in judgment.

And there will be those who will fall dead in the house of God like Ananias and Sapphira did.

For judgment must begin at the house of God.

And all of these things are virtually upon you. You could almost reach out and touch them.

For they are right out there.

So see to it that you search your own heart, and walk circumspectly before Me, saith the Lord of Hosts.

And let not sin dwell in your dwelling; in your house, in your being.

But rather see to it that they that bear the truth, those hands are clean.

And that the house that the Holy Ghost lives in is pure and holy.

And, yea, I'll manifest Myself among you, saith the Lord.

For there is coming a greater wave of My Spirit:

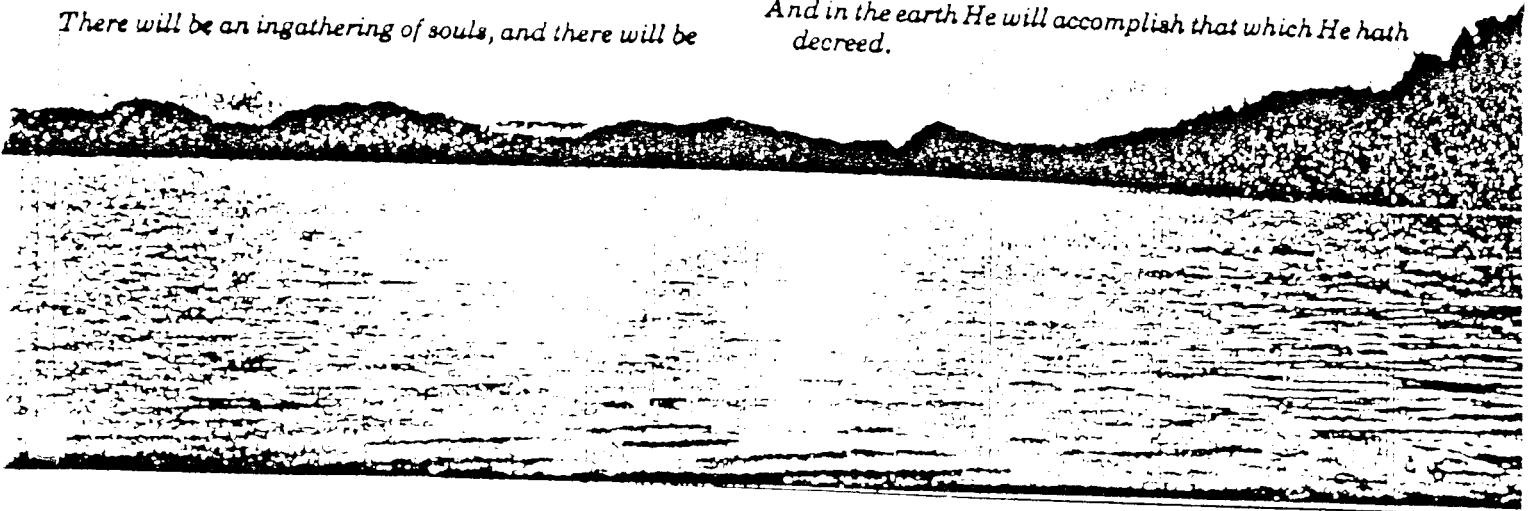

Men and women will sing with joy and with rejoicing.

And the heavenly choir will join in and sing with them.

Angels shall sing, and whole congregations will hear the angels sing. And it shall be a cause for much rejoicing.

Rejoice and be glad, for the Lord is at work among His own.

And in the earth He will accomplish that which He hath decreed.

Houston, Texas 1981 Dr. Kenneth Hagin

The anointing is going to come stronger in these days and as the devil moves in power and all kinds of witchcraft and occult religions even invade our own country; so the power of God is coming stronger and the anointing of God will come upon men, young men as well as older men, particularly is God going to deal with young men and young people in these days for in the last days; " I'll pour out My Spirit upon all flesh and your sons and daughters shall prophesy and your young men shall see visions and many shall stand in the office of the prophet. It is a necessary office. We've seen men stand in the office of teacher and what a blessing they have been. We've seen men stand in the office of an evangelist and what a blessing they have been. We've seen mighty few stand in the office of a prophet but more will stand in that office and the body of Christ will be blessed and enhanced and the work of God shall go forward and great things shall happen in these days. Oh yes, yes some even in knowledgable circles will shake their heads and say that's just fanaticism. Be this known unto you this, saith the Lord of Hosts. In this day and time there will come to pass that those that oppose the work of God and those that are dectieful and lying will many of them fall dead in the church like Ananias and Saphira did and judgment will come. For you see the time of the end of all things is at hand and the end of the ages is at hand. And no, the church in the end time will not be left weak and emaciated and run away and hide. But oh she shall rise up in power and glory with the name of Jesus, empowered by the Spirit. Halleluah! And shall go forward to do exploits. Blessed be the name of the Lord.

But when you have faith to move in the realm of the spirit and obey Him, then He will take you on for if He showed you all of it before you moved then you wouldn't be walking by faith but by sight and that would not please Him. You'll never know alltogeth~~er~~ but if you will have the faith just to step when the Spirit moves then He will move you on in and you will minister in a depth of the Spirit that you've never ministered in before and the anointing of God shall not only come upon you and rest but the anointing of God shall be made manifest through thee until you'll turn around and ask some; "What happened?"
