

What Does the Future Hold? Prophecy Foretells Good Days

(EDITOR'S NOTE: The following is an excerpt from a prophecy Dr. Kenneth E. Hagin delivered on November 22, 1981 during the Holy Spirit Fall Seminar at BHEMA Bible Church. This is the portion of the prophecy that pertains to the Body of Christ as a whole.)

What does the future hold?

Many are concerned about our own nation and what shall befall us.

And many are concerned about the economy and which direction shall it go!

Is there recession, depression, or what?

And so there is much concern.

Yea, saith the Lord of Hosts, the cries of those who know how to intercede have come up before Me.

Remember that I, under the Old Covenant, said, "I sought for a man among them that would stand in the gap, and make up the hedge, that I should not destroy the land."

And I found a number even here who will stand in the gap and make up the hedge.

And so the land will not be destroyed.

Yea, you shall see that there shall be a turn, a turn to the good. And things will be better, even financially, for many of you who stand here.

Because, you see, saith the Lord, I'm not through yet, and the end has not yet come.

For there will be those who will go out from this place like a shining star.

Yea, there shall be those who shall go out from this place like a flame of fire.

Yea, there shall be those who will go out from THIS place to spread the good news; to tell the story.

And there shall be whole nations that shall be affected.

Because, you see, there are nations yet that sit in darkness; so many, looking for the light.

And I'll send the light.

There will be an ingathering of souls, and there will be

a move of My Spirit here in this country that many have never, never seen.

And some didn't even realize it could be so such a manifestation of the power.

For the men and women, and My Church, and My own shall learn to worship Me truly, saith the Lord, in Spirit and in truth.

And they will form the spiritual house that I can inhabit.

And I'll manifest Myself.

I will manifest Myself in miracles.

I will manifest Myself in healings.

I will manifest Myself in demonstrations of My Spirit.

And, yea, I'll even manifest Myself in judgment.

And there will be those who will fall dead in the house of God like Ananias and Sapphira did.

For judgment must begin at the house of God.

And all of these things are virtually upon you. You could almost reach out and touch them.

For they are right out there.

So see to it that you search your own heart, and walk circumspectly before Me, saith the Lord of Hosts.

And let not sin dwell in your dwelling; in your house, in your being.

But rather see to it that they that bear the truth, those hands are clean.

And that the house that the Holy Ghost lives in is pure and holy.

And, yea, I'll manifest Myself among you, saith the Lord.

For there is coming a greater wave of My Spirit:

Men and women will sing with joy and with rejoicing.

And the heavenly choir will join in and sing with them.

Angels shall sing, and whole congregations will hear the angels sing. And it shall be a cause for much rejoicing.

Rejoice and be glad, for the Lord is at work among His own.

And in the earth He will accomplish that which He hath decreed.

Houston, Texas 1981 Dr. Kenneth Hagin

The anointing is going to come stronger in these days and as the devil moves in power and all kinds of witchcraft and occult religions even invade our own country; so the power of God is coming stronger and the anointing of God will come upon men, young men as well as older men, particularly is God going to deal with young men and young people in these days for in the last days; " I'll pour out My Spirit upon all flesh and your sons and daughters shall prophesy and your young men shall see visions and many shall stand in the office of the prophet. It is a necessary office. We've seen men stand in the office of teacher and what a blessing they have been. We've seen men stand in the office of an evangelist and what a blessing they have been. We've seen mighty few stand in the office of a prophet but more will stand in that office and the body of Christ will be blessed and enhanced and the work of God shall go forward and great things shall happen in these days. Oh yes, yes some even in knowledgable circles will shake their heads and say that's just fanaticism. Be this known unto you this, saith the Lord of Hosts. In this day and time there will come to pass that those that oppose the work of God and those that are deceitful and lying will many of them fall dead in the church like Ananias and Saphira did and judgment will come. For you see the time of the end of all things is at hand and the end of the ages is at hand. And no, the church in the end time will not be left weak and emaciated and run away and hide. But oh she shall rise up in power and glory with the name of Jesus, empowered by the Spirit. Hallelujah! And shall go forward to do exploits. Blessed be the name of the Lord.

But when you have faith to move in the realm of the spirit and obey Him, then He will take you on for if He showed you all of it before you moved then you wouldn't be walking by faith but by sight and that would not please Him. You'll never know altogether but if you will have the faith just to step when the Spirit moves then He will move you on in and you will minister in a depth of the Spirit that you've never ministered in before and the anointing of God shall not only come upon you and rest but the anointing of God shall be made manifest through thee until you'll turn around and ask some; "What happened?"
