And the Holy Spirit will manifest Himself in every way that you've read about in the Holy writ, the Word of God. But you also read concerning signs and wonders and there will be manifestations, signs of His Holy presence and many will wonder and say, Is that the Lord? But you see those that know the Spirit, who have developed a sensitivity of their own spirit will be sensitive unto the Spirit and remember when the Spirit is in manifestation, the power is in manifestation that it always makes Jesus Lord and magnifies Him, lifts Him up and not man and so He is able. Be able to judge and not be misled and walk in the way of the Lord for you see the time of the end of all things is at hand, and what is done must be done quickly both in the kingdom of darkness, which is the kingdom of satan and what is done in the kingdom of light which is of light or God. Of course the kingdom of darkness would try to dominate and endeavor to push back the light, but wherever the light goes, the darkness is dissipated and falls away and men shall rise up not only in spiritual deliverance, their spirits made new, but in physical deliverance, their bodies made new and there shall be a manifestation of healing such as you have seen in times past. Many will minister like others you have seen minister, others will minister in new ways that you have not seen before but do not run away and say I wonder if that is right, but look and see; Is Jesus magnified? Are men helped? Do the sick receive healing? Then be glad and rejoice for the Lord is at work and He will do His work. Develop a sensitivity. Develop your own spirit by praying in the spirit, by feeding your own spirit on the word of God. Walk in the Spirit until your own spirit becomes conscious of His presence. After a while you will be more conscious of His presence in your spirit more than you are conscious of the very clothes you wear. You'll lie down on your bed at night and laugh to yourself because you are so conscious of His presence. Yea that Holy presence, that Holy presence that was kept shut up in the Holy of Holies in the tabernacle and the temple of the old covenant. That holy presence indwells the believer in the new covenant, not only in the believer as an individual member of the body of Christ, but His presence indwells the body of believers and He wants to manifest Himself among you. Do you not remember understand and discern that the scriptures declare that you the whole church at Corinth are God's temple and God's sanctuary and God's Spirit indwells you collectively as well as individually and He will manifest Himself in the power of that Holy presence will manifest Himself collectively as a church and those who come in contact with that power will say there is a power a presence, when you come together expecting Him to manifest Himself in the power of the name of Jesus, and in faith, and He will manifest Himself not only in and through you as in you. But He will manifest Himself among you as a body or group as the Body of Christ for we are the temple of God, God's sanctuary. The Spirit dwells in you collectively and individually. Some have learned something about the manifestation of the Spirit

flowing through them into others for out of your innermost being will flow rivers of living water. Some have been conscious of healing power flowing from them into others and many have been instantly delivered and healed. If you will become conscious of His presence, no power will have to flow out of the individual, but in your own midst will be manifestations of glory, manifestations of power and it will come. In fact you are in the edge of it right now and men will not have to think of what I would have to say or have to think how should I deal with that case or how I should minister here for the Spirit will manifest Himself and great glory shall come into manifestation even as it was under a covenant which wasn't as good as this one when the glory came in as a cloud and that cloud filled the temple and everybody saw the cloud. So the cloud of God shall appear. It has appeared here and there but it will be a common frequent thing. Many shall be turned unto the Lord. Yea Run ye, run ye and prepare ye and enlarge ye for your houses won't be big enough to hold the harvest that is coming. Your church buildings won't be big enough. So run ye and prepare ye and get ready for the hand of the Lord is upon you for good and not evil and the work of God shall go forward in the earth and that shall be accomplished what God said would be accomplished.
