

Kenneth Hagin 7-26, 1984

For you see, deep calleth unto deep when two spirits speak in tongues to each other and they understand because they are in tune with the Spirit of God. Let your mind be open and your spirit receptive and the Lord will show you some deep truths that will revolutionize your life, that will revolutionize your ministry and cause you to be a blessing to humanity. The devil will become afraid of you and heaven will be glad.

A change is coming. A change is coming. Get ready for the change so the Spirit of God can manifest Himself for those who know His voice will flow with Him. Greater things will happen not just in church but as people would say on the wayside. You carry around in your very being the powerhouse of heaven; the Holy Spirit He is in you as a guide, teacher and helper and He will manifest Himself through you if you will let Him and call upon Him and expect Him to manifest. You'll be a blessing to this one and to that one and the other one and you will be able to sit in your house and know exactly what your children are doing miles away and when you come home you will be able to help them correctly. The time is come and now is that the Church, that is a remnant will move in a realm of the supernatural that they have not known before and it will be as easy to operate in the supernatural as it is a bird to fly through the air or a fish to swim in the water. Yeah the time is come and now is. Arise. Arise, and shake yourself from the bands around your neck and the bonds that are upon your hands, the bonds of self, with the authority and power of the kingdom of God that's come down upon thee and the glory of the Lord shall be seen upon thee. Your face shall shine. There will be some of you that will walk into a place of business and not say a word in the world and folks will cry out, you convict me of sin. Can you help me. I need help. For the glory and power will be manifested upon thee and the presence and the power of God will be manifested all across the land for the Lord, the Lord that waiteth for the harvest, not just here, but the harvest of the earth and it shall surely come and the supernatural shall be manifested in countries that you wouldn't even believe and things that you would say, God couldn't visit them. Thus saith the Lord, where there are hungry hearts I'll visit them and I'll give over the wall because hearts are hungry and they seek after Me. I'll visit them and bring them into full salvation and into the fullness of the Spirit and they shall walk and not be weary. They will run and not faint and shall fulfill My glory on the earth for the time of the end of all things is at hand and what you do must be done quickly for He will make a quick work in these last days for yeah the day of the Lord is at hand and this is the day for the preparation of that day. Ye are the innumerable so go ye arise and shine. Sit no longer still and say yet that's fine and shake your head and do nothing. But arise and go, go, go and as you go, I'll go with you and confirm My Word and confirm your word because you speak My Word.

But you see, they that bear the vessels of the Lord, bear the power of the Lord, must be clean. Cleanse yourself of all that is unclean and unholly. Lay aside as a man would put off his coat and lay it to one side. Put off those things that are a hindrance and

lay aside the sin that so easily besets you and run the race with patience that is set before you. The heroes of faith and even your own loved ones, friends and relatives that have gone on before are looking over the battlements of heaven on the earthly race not the earthly walk. They are not concerned about those things but they see you in the spiritual walk and race and would encourage you on and on so lay aside the weight. Put off that which is unclean that which is not right, evil and put it away. Cleanse yourself from all filthiness of the flesh and spirit and walk in the power of God and the power will be manifest in a way you have not seen. It shall be said of those that come out of here that those who have turned the world upside down have come here also.

Listen to what the Spirit is saying to your spirit. Be willing to follow the Spirit that abides in your spirit and be willing to let the Holy Spirit move in your church, services and meetings and let Him have His way. Don't be afraid of fanaticism. Don't be afraid of excess. Familiarize yourself with the Word and with the Holy Spirit. Encourage Him and invite Him and He will manifest Himself and the glory of the Lord shall rest upon His saints. Yeah the cloud of glory shall envelope many and many in the congregation as their pastor preached said there was a cloud over his head. Others will say that he stood in that cloud as he ministered and others will say, well Jesus stood beside Him and I saw Him and not just one in the congregation eyes will be open but many eyes in the congregation will be open and they will see in the realm of the spirit for this is the day of the miraculous. Man and miracles go hand in hand. Man and miracles are in His plan. Man and miracles are in His hand even the Father God and He has set the power in motion. Man and miracles; so rise up man and women and claim and receive your miracle for the miracle worker God is at hand.
