

(continued)

everyone may function in their place so take your place. Some may say I don't know my place. Do what thy hand finds to do. Yeah minister everywhere you go. Do the Word of God and the Word will do the work. Yeah saith the Lord of Hosts, you will not come empty handed, you will not be barren, but rather you will come into my presence, eventually stand before My very throne and the harvest shall be great and you will be glad and many will rise up in that day and call you blessed and a great day it shall be saith the Lord. Labour. Work while it is day for the night cometh when no man can work.

The Word of the Lord came further unto me saying, Think thou that you've seen the full manifestation of My glory, of My Spirit, of the gifts of the Spirit? Yeah you've only seen a little, a glimpse, a little here, a little there but thine eyes shall see and thine ears shall hear the manifestation of the glory of God, the Spirit of God, the gifts of the Spirit and thou shall have much cause for rejoicing. Do not expect the enemy to come in and overtake you but expect the glory of God to come upon you. Expect the Spirit of God within you to function as the Holy Scriptures declares He will function and He will rise up within you and bring illumination unto your mind and direction unto your spirit for it is written that He will show you things to come and you'll not be left in the dark for you're not the children of the darkness but of the light and you walk in the light every single day and the work of God shall be accomplished and the glory of the Lord shall shine upon thee and natural men, sinners will even see the glow and the glory upon thee and the light shining forth from thee. So walk with Me and be blessed forevermore.
