

DR KENNETH HAGIN AT CHICAGO  
Saturday August 16th 1986

'...For you see the sword of the Spirit cuts both ways, one way to bring blessing, the other way brings judgment...and in this move that we are in ankle deep, you will see some of the most amazing things in all your life, and when you get that move in your church, your church won't be big enough to hold the people. There's a move on, can't you sense it...I'm sure glad I came tonight!

'Every head bowed, every eye closed. I'll not minister to these ministers here tonight but I'll pray for them...

'Dear God help them to wait on you until they know just exactly where they stand. Help them to realize that the same human spirit of stubbornness is not a spirit of boldness when if they would just admit "I've missed it" and wait before you and hear your voice and you would lead them into green pastures and they would lie down beside the still waters and you would restore their soul with peace and rest. Instead there is turmoil, battle and fight, their minds in an uproar and their spirit not at peace and their bodies not functioning right. Help them. Some of these ministers wouldn't even believe it if I said it. They would be prone to accept it because it is me but they'd go off and question you. Show them Lord because there is a better place for them, a bigger place of ministry for them. Oh! may they move on with you and get their flesh out of the way and human reasoning out of the way but that they would be a channel that the Holy Spirit could flow through and bless and lift the people...

'Oh Father! we know not what we think or hope, we know what you want to do for we see in the realm of the spirit and there is so much that needs to be done in the lives of many who sit here if they are going to move in that realm. In the O.T. they that bear the ark had to be holy. Many have to cleanse themselves from the things of the flesh to bear the ark of God.

'Speak to preachers, christians missionaries, teachers that we may make a full 100% consecration to you and walk not in the lust of the flesh or the lust of the mind but walk in love and in the Spirit and the Holy Spirit may have a pure vessel, a holy vessel that He may flow through and He'll not be grieved but come into full manifestation and every minister would be anointed with fresh oil to stand in the office that you called them unto and operate in full potential so that we, the body of Christ, might not come behind in no good gift but be thoroughly furnished in all good things to do the will and work of God. May we be so sensitive and may there be a holy awe and fear of God come upon the church that in our midst there will be a holy awe and the Holy Spirit would prevail and the Word of God grow mightily and prevail and your work be accomplished.

'Teach us anew Oh Lord for the river is flowing and many are not flowing in it. Some of us have seen the mighty demonstration of your power in times past and nothing else will ever satisfy us not programmes or organizations. We must have the mighty demonstration of the Holy Ghost. Help us to realize and know the real and that it's not jumping and hollering in the flesh making a racket and drawing attention onto ourselves but it's lifting up Jesus and point to Jesus which will cause a perfume of His presence to flow out over the congregation and sinners saved, believers dedicated and filled, sick healed without even a hand laid on them because the very atmosphere will be charged with the presence of the glory of God. We're hungry for that move where your presence falls for an hour or two and on one moves or makes a

sound even babies so that the priest, the minister cannot stand but that the Holy Ghost manifest Himself so everyone is blessed.

'Ohhh but there will be those who stand in the way and those who head up certain religious organizations who have known the power to heal and speak with tongues and will speak disparagingly against those who are spearheads and will fall down dead. It will be said they had a heart attack and some will harangue and not shut up and keep on speaking and not shut up and they will go violently insane in the pulpit and have to be led away by the hand and a holy awe will fall upon the people. Yes, there will always be excess in every move but at the centre is the real move. So we enter into a new era, a new place and into a place where the Spirit of God no longer, no longer... I hear the words spoken, I hear the words ringing across the heavens. I looked across to my left and saw an angel flying across this very building and he flew from my left to my right and I saw that he held in his hand a scroll and I looked to my right and I saw another angel fly to meet the first angel and he handed the scroll to the second angel and he opened it and he read...

"No longer, no longer, no longer, no longer, no longer, no longer, no longer, no longer, no longer. The angel of the Spirit of your church and every church will carry the message to those who will hear. No longer will He put up with superficial christianity. No longer for He is looking for those who have sold all to follow Him and cast off all the things of the flesh, every hindrance and every sin which so easily besets us and run with patience the race set before you. No longer, no longer, no longer will you be able to get by with simply a wave of the hand and a little word saying "I'm with you" and not show up for a month at a time. NO! There will come a separation. Some will call it a falling away. No, they didn't fall away. They were already away. They will be cut off. There will be whole assemblies and church groups, fellowships and I will write, saith the Spirit, "Ichabod" with the hand of the Spirit, above them meaning 'The Lord has departed'. So arise and shine for His glorly has come. Arise and respond for His Spirit is calling. Arise and declare, "As for me and my house, we are on the Lord's side. We will go with the flow for now we know."

"Thank you Lord... (tongues). There is much more that could be said saith the Spirit, but you are not able to bear it. But this is enough for you to arise with great concern and declare with much boldness, confidence and willingness to walk with the Lord and His plan, purpose and will, will be consummated in my life and in our midst."

Kenneth Rayin Atlanta, Ga April 3, 1987

Do not doubt the things that you have heard, let your minds be open and your ears listening and your heart receptive. And so the holy Spirit will take the word and open your heart and the light will shine in and faith will come and you'll see the deliverance, everyone. Rejoice and be glad for the Lord is at work, his Spirit and his power are just the same today in this very hour. Thou dost not need to look to man, but look unto the saith the Lord, though I move through man get not your eyes upon man, neither let your heart be lifted up, but rather humble in My sight. And so I'll manifest myself among you this very night. Rejoice and be glad for the Lord is at work and the ministry of the word of the Lord shall go on, it'll not be hampered by man, it'll not be hampered by devils and demons and man on the outside. It'll not be hampered and held back by man on the inside. But, yea, saith the Lord of Hosts, there are those that will respond unto My Spirit and go in the power of the Spirit and speak in the power of the Spirit and minister in the power of the Spirit and lay hands upon people in the power of the Spirit. And the Spirit shall manifest himself and the glory of the Lord shall be in manifestation and great, great shall there be the increase of the harvest in this hour for these are the last days saith the Lord of Hosts.

If it could be told thee, if thy could see into the future and see that which shall shortly come to pass, your heart would have much cause for rejoicing. Others would just turn their head away and say "I can't believe it, I can't believe it." So for that reason, saith the Lord of Hosts, I'll lead you only one step at a time and you'll take that step and it will lead you unto the next step. And the glory of the Lord upon thee will shine, yea, the hour of darkness is now past, the crisis period is over. For you see, this is the time of judgement and this is the time of crisis and this year has seen, at the turn of the year and the end of last and the beginning of this, a great crisis time in the area of ministry and ministrations. But yea, saith the Lord of Hosts, get not your eyes upon man, listen not, close your ears to that which man would say, for they can not hinder or hamper the move of God, for you see the clouds will now dissapate, the darkness will flee away, the rainbow does show upon the horizon of time, the light of God does shine, ha, ha, ha, the demons of hell are afraid and frightened, yea, they run and are scattered abroad, they're scattered abroad. Men who oppose the real move of God will fall dead like Ananias and Sapphira of old. So be not dismayed, but, yea, see to it that you wear circumspectey before Me, saith the Lord of Hosts. They that do know their God shall be strong in this hour and in the next, and they shall do exploits. And so we will not upon the past, we think not of the darkness, we do not dwell upon the trial, the trouble of yesterday, we look not to tomorrow and try to decipher that which will happen. Yea, we trust in the Lord God Almighty,

and we say with a voice of faith, "He is my succor, He is my helper, He is my strength, and He upholds me with the right hand of His righteousness." And so His glory shall come upon thee and His power shall be made manifest unto thee and through thee unto others, and you'll lift your voice in laughter, "Ha, ha, ha, the Lord is my strength and my portion forever, yea the Lord is my Savior, yea the Lord is my deliverer, yea He is my strength, yea I fear not what man shall do unto me for the Lord does keep me and deliver me and He causes me always to triumph." And so walking by faith, and not by sight, walking in grace and not in fear, walking in the glory as you live down here. Rejoicing and being glad will cause His presence unto thee to be manifested again and again. No sadness shall be about thy countenance, but the glory of the Lord and the joy of the Lord shall rest upon thee and thy faith shall shine with His presence and thy shall have a song in the nighttime, "The Lord, the Lord, He doth keep me, yea the Lord, He does sustain me, He is my helper, He is my friend, yea His power is within me, yea I am His and He is mine, and His hand is not shortened that He can not save and His hand is not shortened that He can not move, yea in this hour and in the next, His glory shall be revealed unto you and unto me." So rejoice and be glad, for the time of triumph is at hand.

And it shall surely come to pass, all that I've spoken unto you, saith the Lord of Hosts, all that I've spoken unto you in My holy written word, given by the Holy Spirit, shall surely come to pass. But remember that which I've spoken unto your own heart, especially you that are called unto the five-fold ministry gift, as an apostle, a missionary, a sent one, or a prophet, or the evangelist, the pastor, the teacher, and those that I've called unto a special ministry. Remember what I've said to you in times past and remember the dedication and the commitment that you made unto Me, that "I'll obey you" and when the going gets hard and it gets tough, and it looks like nothing is working right, go back to that time that I spoke to you and say to the devil and speak to the circumstances, "I'm standing my ground, I've set my face like flint, I've refused to quit." And thou shall see that thou shall rise to the top and thou shall triumph. Yea, saith the Lord of Hosts, that which has been vouched safe unto thy spirit and thou hast known within thee, almost you kept it shut up inside you like a gem of old, who kept these words within her and did not speak them, and yea saith the Lord, this is the hour, it is is the time for it to come to pass. And you're over into the edge of those things even now. And they shall come, yea the manifestation of the Spirit, the glory of the Lord, the gifts of the Spirit, the anointing to minister, yea, men shall know and recognize the ministry of the prophet and the ministry of those that are special sent ones, in this hour when they would not in another hour. But we're coming into the time and into the place of the restoration of all things. So rejoice and be glad for the Lord is at work. Let not your heart hang down, nor your face be sad, but rather lift up your heart and rejoice and be glad for the coming of the Lord is nigh. But the harvest must be

reaped, the work must be done and be done. And it shall be done, and it shall come to pass. And many would grow discouraged and many would bow their head in shame and many would say, "Oh, oh, oh, oh, oh, it could never be the same, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, we're defeated and whipped, things are not right, they will not be right." Yea, saith the Lord of hosts, the hopes of the church and the glory of the Lord and the work of God does not rest on any one man's shoulder or any one church or local congregation. Yea, saith the Lord of hosts, the gates of hell shall not prevail against my Church, yea saith the Lord of hosts, yea, they that are with you and with us are more than they that are with them. Remember, as it is written yesterday in the holy writ, when the city was besieged and the prophet said, "open his eyes" when he prophesied that wheat would be selling for such and such a price. For they that are with us are more than they that are with them. They that are with us are more than they that are with them in the world. Greater is he that's in you than he that's in the world. And the Greater One will rise up in you, give direction unto your mind, direction unto your spirit, yea, inspiration unto your life. Yea, so the prophet of old said, "Lord", concerning his servant, "open his eyes", and when his eyes were opened, not his natural eyes, everyone in the city would have seen it, but his spiritual eyes were opened, he saw chariots of fire and horsemen of fire all round about the city. Ahh, open your spiritual eyes and look into the realm of the spirit and see the angels of God. Ha, ha, ha, ha, ha, ha, the host of heaven is on our side, the host of heaven is with us, the hosts of heaven are with us, legions of angels. The Holy Ghost himself indwells us, ha, ha, ha, ha, ha, ha, ha, lift up your head that hangs down, lift up your hands and rejoice and go forward for the work of God shall be done, yea, a mighty and a great work will be done, here in your own nation, but even greater work in other nations and whole nations will be affected thereby and turn unto the Lord, and great shall be the reward of many. And in that day, many shall rise up and call thee blessed. So be encouraged to move forward. For yea, saith the Lord of hosts, this is the hour, this is the time, and this is the day of visitation.

Kenneth Nazin Columbus, Mississippi, 1967

Give heed unto the voice of the Spirit saith the Lord, for whatever the Spirit hears He says, who am the head of the Church, that He speaks unto you, that He conveys unto you. And be sensitive unto the Spirit of the Lord and obey what He is saying unto you. Yea, learn to flow with the flow of the Spirit. And learn that out of your innermost being shall flow rivers, not a river, not just one working of the Spirit, even in the area of healing, not just one working of the Spirit, but rivers, plural, rivers of living water. And so ye shall see that in this day and in this hour ye shall come to see and to understand the working of the anointing and of the power of God, and will give heed unto the voice of the Spirit. And the revival, the move of God, that is to be accomplished in these last days, a quick work, shall be accomplished. And great shall be the cry of those that have responded and that have been blessed. And many will rise up in that day and call you blessed. So obey, walk in the light of the Spirit, full of the Word, flow with the Spirit, and all that you do and all that you say, and the power and the blessings of God shall rest upon thee and be made manifest unto thee, through thee unto mankind.

Oh, if it could be told thee, if thou could see with the natural eye that which is about to come to pass, the power that will be released in this world through the saints of God. If thou could see, it would be difficult for you to believe, if thou could hear with thine ear it would be difficult for you to receive. But if you'll walk in the Spirit, and there will be a manifestation here, even though it may seem small, and a manifestation there. But if you learn to yield unto the Spirit of the living God and you learn that you are workers together with Him and that He is the Lord and that the Holy Ghost is your helper, to help you get the job done, so it is then where you've seen just a little sprinkling so to speak, a little manifestation here and a little manifestation there, that you shall see a greater manifestation, and a greater yet manifestation, and a greater yet manifestation, and finally a more constant manifestation of those things which have happened and been manifested only periodically in the past. So rejoice and be glad and be ready for the Lord is at hand.

And the Spirit of the Lord shall manifest himself unto thee. He shall speak unto thy spirit and thou shall hear His voice and know His voice and learn His voice and He'll direct thee in all of your activities. And there are those who are in the ministry, in the five-fold ministry gift, who sit here tonight, who have been used limitedly in times past, who have seen some manifestation, and your heart has longed for that manifestation to come again and it seems that it has not come again, and it seems that it will never come again, but you, saith the Lord of

nostris, if you in your own spirit and heart will wait before He and seek Him with a whole heart, then your spirit shall be anointed with fresh oil, and your spirit will come to see, oh no, you'll not see it with the natural eye, you'll not understand it with the natural mind, but in your spirit illumination, light, will come, and you'll say, "Oh, this is the way of the Lord, oh yes, I understand now why that hasn't been manifested again, I'll do my part, oh yes, I'll cooperate with the Spirit of God." And so it is that the Holy Ghost shall enable thee to stand in the office that you're called unto and minister to the full potential of that office, to be a blessing to humankind, to mankind, and so the power of God shall be made manifest through thee in every way that it has been made manifest through thee in days that gone by, and it'll be increased a hundred fold. And many, many, many, shall look upon thee and say "Is that the same man? Is that the same person? I just can't believe that." But you see we are changed from glory to glory as we walk with Him and so it is that His glory shall rest upon thee, His glory shall be made manifest unto thee, His glory shall be made manifest through thee, and men shall rejoice and they shall be glad and the hearts of many shall be turned toward the Lord.
