---

So I called you before you were born. I separated you from your mother's womb. Amen. Now, here's something astounding but it's truth and you need to take heed. He said to me, "When you left your last church, at that time you entered into the first phase of your ministry." "Why," I said, "Lord, I'd been preaching fifteen years when I left my last church; 12 years pastoral work and 3 years in field ministry. I'd been preaching 15 years. Do you mean I just then got into the first phase of my ministry?" He said, "You just then got into the first phase of your ministry." He said that many ministers live and die and never enter into the first phase of their ministry. That's the reason some of them, not all of them, but many of them die young and many of them die in middle age.

Well now if you'll stop and think for a minute, you remember the 13th chapter of Acts, the first and the second verses. There were in the church at Antioch certain prophets and teachers such as mentions the names of five men, begins with Barnabas and ends with Saul. Now verse 2, as they ministered to the lord and fasted, the Holy Ghost said, separate unto me Barnabas and Saul for the work whereunto I've called them. Now Barnabas and Saul are either a prophet or a teacher. Well, by examining the scriptures prior to the 13 chapter of Acts, one would believe that Barnabas was just a teacher. But one would believe that Paul was both a teacher and a prophet. But notice that neither one of them had gotten into the work that God called them to yet. Separate unto me Barnabas and Saul whereunto the work I have called them. They were called to be missionaries or apostles to the Gentiles, but they haven't entered into that yet. That's their calling. Can you see that? These other years are times of preparation. They're still the will of God but you still haven't gotten into the ministry that he had for you and that's the way it was with me. Hallelujah.

So when you left your last church, you entered into the first phase of the ministry that I have for you. "But," He said to me, "You were unfaithful in that phase of ministry." That phase of ministry lasted for a year. He said, "You were unfaithful. You did not do what I told you to do. You did not tell the people what I told you to tell them." Then, the 19th of January - see now I entered into that first phase, February, so January would be the 12th month, February of the year before.

January the 19, 1950 you entered into the second phase. Now, I'll not go into it, but it was an unusual experience. And He said, "In this second phase of ministry you were faithful. You did what I told you to do. You told the people what I told you to tell them." "Now," He said, "It's time to enter into the third phase of your ministry. And if you'll be as faithful in the third phase of your ministry as you were in the second phase then I will appear to you and speak to you again and at that time you'll enter into the fourth phase of your ministry. The fourth and final phase of

your ministry." I'm in it now. And He said, "Kneel down before me." So I knelt down before Him and he laid his hand on my head and said, "I have called thee, (He'd already told me he'd called me before I was born), I've anointed thee, (anointed me to preach beforehand) and have given unto thee a special anointing to minister to the sick. (Cause see he had said to me stretch forth your hands held his hands out like that)." I stretched out my hand and he put the finger of his right hand in the palm of my right hand and the palm of my left hand. When he did they began to burn like I was holding a hot coal and that's what He meant by the special anointing He'd given me to minister to the sick. Now He said you tell the people that I told you to tell them, that if they'll believe that, He went on to explain to me that he ministered to the sick in various ways with gifts of healings. But also with this anointing as He went on to say to me and it really you know, crossed my theology, but it was scriptural. He said that ministering with the anointing even under my ministry, if they didn't believe it they didn't receive. Mark the 6th chapter, 5th verse, says He, Jesus, could there in his home town of Nazareth, do no mighty work, save He laid his hands on a few sick folk and helped them, healed them. Just a few folks. So He said, "You tell the people I told you to tell them. If they'll believe that - that you're anointed - and will receive that anointing, then that power will flow." Thank God it flowed. "From your hand to their body and will drive out their sickness or disease or will undo that which Satan has wrought in their bodies." Now, again Isaiah 10:27 the yoke shall be destroyed because of the anointing. Hallelujah, and we're going to minister with that anointing here in just a few moments. I do want to say a word or two here. It's so easy sometimes to put your own interpretation on what He said and He said to me, if you'll be faithful in this 3rd phase. Now that first phase of ministry was a year and the second phase of ministry was eight months and if you'll be faithful in this third phase of ministry, then He said, "I will appear to you again and I will speak to you." I thought, put them together, He'll appear to me and speak. But He said I'll appear to you again. Leave that just there for a moment. See that first vision, 1950, from 1950 through Feb 1959, now Jesus appeared to me eight times and three times out of the eight he talked for an hour and a half to me. Now since then, he's appeared for a number of times to me. Just a few years ago, camp meeting, well just prior to camp meeting, I was praying in tongues from 3:00 to 5:45 and the Lord appeared to me. Jesus and I were standing up at the roof, up about where the roof of that convention center is and it's full you know, 9-10,000 people and we were all clapping like we do, or did, and He turned to me and said, "Clapping is neither praise nor worship" and then he went on to explain to me that they're clapping so much at the wrong time. See you don't bring God on the level of humans. Now we may clap and that would be alright when they sing, clap to uh you know welcome someone to the pulpit or something like that. But I knew we talked about it so many times because I'd be prophesying and right in the middle of my prophesying, people start clapping and folks didn't hear what you said. See they haven't been taught to reverence the Holy Ghost. I mean if that is the Holy Ghost, or tongues and interpretation, you're interpreting the tongues. Somebody told me the other night we haven't had much of it here, but the other night, I was prophesying, speaking in the Spirit, we didn't get the latter part of what you said because somebody nearby started clapping real loud and we couldn't hear it and didn't get it. I mean if the Holy Ghost is speaking you ought to keep quiet. Yeah, and pay attention. Now if it isn't the Holy Ghost, just throw it all out and quit it. We don't need it. But if that's the Holy Ghost, you ought to reverence the Holy Ghost and be quiet. And then when it's all over, don't clap about it,

but lift your hands and praise God about it. And if we're going on deeper with God, we're going to have to learn to flow with the Spirit. Now I want to encourage you if you haven't, to go out there to get the book - "Plans, Purposes, and Pursuits" because it's all in there and it'll bless you. Among other things, the Lord said to me and you know as well as I do, He said the world claps but the saints praise. Amen, the world claps and they do don't they, every where you go look see? But the saints praise. Well now, somebody says, "What are you going to do about that verse back there, you know in that 47th Psalm? Wherever, it said, clap your hands and sing unto the Lord?" Well, not going to do a thing with it except what it said to do. Did you notice he gave that to the chief musicians? They're going to sing and clap their hands when they sing. Not talking about clapping your hands in the middle of the tongue interpretation or the middle of somebody's sermon. Are you listening to me? Besides that, that's the only verse, the only verse in the entire Bible that tells man to clap, but in Psalms alone, there's 240 some odd times that tell you to praise the Lord. So which will be the most important. See, you're substituting brass for gold. Amen. I said Amen.

So actually I put that together. I will appear to you again and I will speak to you again. So actually, he appeared to me like I said, eight times, from the fifth, 1950 to Feb 1959, and several times since then, in visions see. More than once. He just said I'll appear to you again. and then he said, I'll speak to you again. Well, now I understood him.... Well, actually something happened back in 1967, I got it written down in my Bible, and at that time, I saw that they were two different things here. They were not the same because He spoke to me and at that time he said now then you enter into the fourth phase of your ministry. Hallelujah. Amen. Now the first phase lasted a year, second phase, was 8 months, the third phase, you see, was, well see this was between '67 and '68, 50 up till 67 be 37, 38 years, actually it's some months in there. I'm just giving you a close as years, see 38 years.

The last phase, this fourth phase he said, can last as long as that 38 years or till as long as I will or till I come. Hallelujah. Well, this fourth phase, it included all that the other included plus. Hallelujah. Amen. Glory to God. You see I told you about the healing anointing at that time, how that at times a stronger anointing would come, and then how that the Lord appeared to me in a vision and said, when you do what I tell you to do that stronger anointing will come on you to abide which has come on you four times the last 20 years and it did. In more recent time he said that anointing will be increased another 30 per cent and when that anointing is in fuller manifestation, do you understand, the anointing's not always in full manifestation. Don't you preachers and pastors know, that the full anointing to preach is at times much stronger than others. And I can say this because you know, you've seen it and it wouldn't be psychological affect. He said when that anointing is in fuller manifest, see the anointing's not just for healing, the anointing's to bless people and to meet their need in various ways. But when that anointing is in full manifestation, when you get within 3 - 4 feet, you don't even have to touch people. You get within 3-4 feet of them they'll either fall under the power or they'll begin to laugh. And we've seen that here, again and again and again and again. Now the anointing's going to get a different direction tonight because this is the healing anointing. Hallelujah.

Hallelujah, Hallelujah all of these signs shall come to pass, the gospel be preached and all the world is a witness and then the end shall come. So we come to the end of time. Days are flowing by, months are gone, years – but looking at the Holy Writ we see this sign, that sign, the other sign already fulfilled. Listening to the Spirit of God with your own spirit, a divine witness, the end is at hand, the end is at hand. Are you prepared? Prepare yourself to be laborers in the harvest for the harvest must come, for the husbandman waiteth for the precious fruit of the earth and he has long patience for it, till he receive the early and the latter rain. Many of us have been restrained from entering into the fullness of that which the Spirit has for us. We come up to the place and seemingly can go no further in ministry and you're one of them. But the time has come, ha ha, and now is, to step in. Just one little step and the glory will come. Just one little step with determination and courage to move out further in the realm of the Spirit than where you have been. You know how to yield and to move where you've been but the flesh is weak but the spirit's willing. So keep the flesh under and respond, respond to the spirit.

Ha Ha Ha. Ha Ha Ha.

Tongues.

Say not it's for others, but say it's for me. I'll listen and give full heed unto what he's saying, walking in the light of what I know. Come into know more, sharing with others so they shall be blessed. The work of God shall go forward with the hand of the Lord upon you. The kingdom of God shall be enhanced, the church of God added unto and the blessings of the Lord flow like a mighty river unto you. Heheheheh.. Thank you, Lord Jesus. Thank you, Lord Jesus.

Don't consider it yet, hah hah hah. Don't consider it yet: The time will come but it's not yet. He's talking to you right now. Don't consider it yet. For the time has not come. The time will come and ample time you consider it. Hallelujah. Thank you Lord Jesus.

Tongues.

You think, it's been good? You think it's been great? You ain't seen nothing yet. Being faithful, be faithful in that what you know. Share that which has been given unto you – more will come. Even a greater anointing yet. Hahahaha.

**Prophecy given by Rev. Kenneth E. Hagin on Thursday night, February 20, 1997 at the Winter Bible Seminar in Tulsa, OK.**

"Thank God for the Spirit of Knowing and the Spirit of Seeing. Into a greater manifestation shall it come. Hallelujah. He has endeavored, I heard the Spirit say. He, talking about the Head of the church through the Spirit, has endeavored in times past to many who are present to manifest Himself in such ways. Some were fearful and they did not yield. Some just didn't know and so they did not yield. Some were just not conscious of spiritual things as they ought to; for they are living too carnal a life or worldly life. Come out from among them and be ye separate. Consecrate and dedicate yourselves unto me saith the Lord. For I'll use only those people who are clean and who have submitted themselves unto Me and my plan and my will. Sanctify yourselves and present yourself a holy tabernacle and I will manifest myself unto thee and I will manifest myself in thee and the Spirit of the Lord will come upon you and you shall be my witnesses. And you'll be able to witness not just with a vocal witness with your tongue from a natural standpoint, but you'll be able to witness with the supernatural. For He'll confirm His Word with signs following. Hallelujah. Hallelujah.

Standing; standing; standing right on the verge of an outbreak of the power of God. Standing right on the verge of an outpouring of the Spirit of God. Such a move as no man here present has ever seen. Standing in the very presence and being in the very midst were God is moving, (tongues) but missing the whole thing. Just like Ananias and Sapphira; right in the midst, or we could say the middle of the greatest move of God that ever come to this earth, but they missed it. They missed it. Because so they were so carnal. They were so driven by the flesh; animated by the flesh.

Consecration. Dedication. An almost unknown element in the Body of Christ today. Consecration. Dedication. Consecrating all unto Him. Dedicating yourself unto Him. So the Spirit will manifest Himself unto thee and through thee and the work of God shall be accomplished and the plan of God shall be fulfilled and the church of God shall be increased and the glory of God shall be in manifestation. Ha. Ha. Ha. Ha. Ha... (laughter) You'll be able to lift your voice in laughter and praise; for you can see the devil is on the run and the victory is won. Hallelujah. Hallelujah. Hallelujah.

Speaking by the Spirit; not just speaking words out of your own mind or thinking, but speaking by the Spirit. Words that are inspired by the Spirit of God. Words that well up from within you out of your spirit; given to you by the Holy Spirit. Those words spoken boldly bring forth great happenings. Speaking by the Spirit, and so the glory of God shall come into manifestation. And some will see it like a cloud that hangs over the heads of the people. Others may not see anything but they sense the mighty move of His Spirit. Speaking by His Spirit, yielding your tongue unto the Holy Ghost. But you see, taking time to pray in the Spirit. Taking time to pray in other tongues will get you tuned up; will edify you and get your tongue hooked up to your spirit so that when He who dwells in your spirit can give you utterance, then He takes over. And you speak out what He says, not what you think. Speak out what He wants. Hallelujah. Hallelujah. And so the Spirit of Seeing and the Spirit of knowing into a greater manifestation shall come. But all of these. All nine of these manifestations, all of these worketh that one in self same Spirit. And at the same time, the inspirational gifts. Men's; women's, speaking by the Spirit. By prophecy- inspired utterance. By tongues and interpretations; shall bring forth marvelous statements and bring to pass and bring into being in this sense realm where men can see and know the operation of the Spirit of God and the manifestation of the Spirit of God and the demonstration of the Spirit of God. So rejoice ye and be ye glad. (Ha. Ha. Laughter) Hallelujah.

None some I have begun to use and you've drawn back. Now repent and respond to the Spirit and you'll move forward and you'll see greater things. Some, because they missed it, thought; 'Well, I don't know.' Just admit that I'm human and I can miss it and move on with the Spirit of God. No one ever stopped driving an automobile because they ran up over a curb when they first started but they keep at it until they can drive adequately. So you keep at it. Bless God, just keep at it. (Laid hands upon Rev. Larry Hutton) (tongues) And it will be amazing what will happen, and it will be amazing how your ministry will increase. And it will be amazing what a great blessing you will be.

Moving; moving; forward, not backing up. Hallelujah. Hallelujah. Hallelujah. Hallelujah. I want everyone to laugh at the devil. (laughter) Why are we laughing at the devil? What are we laughing about? He (the devil) said it's not going to happen. (more laughter)

Now in these Holy Ghost meetings we're conducting in the daytime; teaching on prayer and praying. Teaching prayer by precept and then by example by praying. As I said, over the last 18 months the Spirit of God keeps saying over and over again. These words keep coming out of my mouth. The Spirit of Knowing and Seeing shall in a greater manifestation; in other words be manifested in a greater way than what you have seen heretofore. And then the Spirit of God keeps saying, "It shall come to pass." It shall come to pass. It shall come to pass at last... Hallelujah. Not only is He saying, it shall come to pass, talking about that; the spirit of knowing and revelation. But He's also saying, I interpret that to mean, it shall come to pass; other things that He said. There are some things that just now must come to pass. It shall come to pass at last. It shall come to pass. It shall come to pass. Thank God it's coming to pass. Thank God it's coming to pass. Then Brother Hagin walked throughout the auditorium and ministered with a strong prophetic anointing.

---

Yeah, it's time. It shall come to pass. It shall come to pass. It shall come to pass at last. Great and notable things will happen. Unusual experiences. Unusual happenings. But fear not saith the Lord. Stay in the word and listen to the Spirit and you'll not be deceived. Some will not accept it and will go back and will dry up and will miss God, but many and most will flow with Him, go with Him and the power of God shall be in manifestation and the manifestation of His glory shall be seen and shall be in evidence and the hearts of men shall be made glad and the church will be enhanced and the Lord shall be glorified and the plan of God shall come into full manifestation or fruition and the joy of the Lord will be manifested and the joy of the Lord is and will be your strength.

Prepare ye your hearts. Prepare ye your hearts. Humble yourself in my sight saith the Lord and I'll meet you, I'll come to you, I will bless you. I'll lift you up above the doldrums of this life and set you at my own right hand with the son of God and in that place of authority you will go forth to do the works of God and expel evil spirits and put the devil on the run.

Standing. Standing right on the verge - like a man standing right on the edge of a cliff and about to slip off or step out. Standing right on the verge - oh yeah, yeah, I wish I could tell that, I wish there was words that I could describe it, but there are things in the spirit you can't describe in the natural. Right on the verge. Right on the edge.

Who will come and go with me? We'll move forward into the realm of the Spirit, stepping higher, moving up. Hallelujah! Hallelujah! Proclaiming the word. Seeing the Holy Ghost in manifestation and demonstration that will startle mankind and cause many to turn unto the Lord and great joy, GREAT JOY shall there be among the people of God and there shall be much cause for rejoicing, there will be much cause for rejoicing. Right on the verge. Right on the edge. Ha ha ha ha...a few more days and it'll all come to pass. A few more days and you'll see it at last. Ha ha ha ha...Restoration. Restoration. Restoration. Restoration. Ha, ha...Restoration, restoration, I heard the Spirit say restoration. Many that have gone away from the Lord will be restored when they see the hand of the Lord upon you. They'll be restored - but at the same time there will be to the church a restoration. A restoration of spiritual gifts. A restoration of spiritual manifestations, a restoration of the power of God, a restoration of the glory of God, and the glory of God will be seen upon you and your face will shine like the face of an angel and people will say that doesn't even look like him or her for the glory of the Lord in manifestation shall come and the glory of the Lord will be seen at times as a cloud overshadowing the people.

Great and mighty and good things are ahead for us and in store and the time is now.

(Tongues) And when you believe these things for it is written, Believe in the Lord thy God so shall you be established, believe in His prophets and so ye shall prosper. Believe and you shall prosper in the things that are said. Hallelujah!

(Tongues) Some have said when I see them, I'll believe. Believe ye without seeing and you shall see. Ha, ha, ha. That's what I said in tongues.

## Teaching/Tongues and Interpretation Camp Meeting 1997 - Phases of Ministry Kenneth Hagin 7/25/97

---

**TEACHING:** We had a reverence for God that folks don't have nowadays, Amen. And faith on a different level of where we are nowadays, Amen. Now I want you to hold your place right there where I am, I am going to come back to it in just a moment, but some of you have been coming to Camp Meeting since 1987, I believe it was, just before Camp Meeting, so maybe I am not that old yet. 1987 is not too long ago, 10 years, 70 then. The young men see visions and so I was praying in the nighttime on Wednesday night, we did Thursday morning before Camp Meeting. I prayed from 3:00 until 5:45 am, 90% of it in other tongues. I prayed that message out, "Plans, Purposes and Pursuits." I prayed that out in prayer and the interpretation and then at the end of that, I had a vision. I saw this auditorium. I saw it full like it is now, or approximately. I saw the ceiling and the roof there and Jesus and I were standing there looking down on the crowd and you know, if you have been in our meetings I did it too, just as guilty as anybody - and the whole congregation was clapping and Jesus turned to me and said, "Clapping is neither worship, praise nor worship." And then he went on to explain that to me, Amen. Now you see, we applaud men sometimes and that is alright, but you don't applaud God. In the Old Testament, it was written by scribes, when they came to write the name of God he had many names. They would stop before they would write his name, go take a bath, wash themselves to reverence that name. Well, let's give God a handclap. No, no, no, no, you don't give God a handclap. The Holy Ghost said to me, the world claps, but the saints praise. I have to say this to you. The Lord said to me last year, "You've gone as far as you can go, you can't take the people any deeper. The Holy Spirit will not manifest himself anymore. Tell the people to stop clapping and go to praising because clapping is not praise" and I'll go into it, but if you think about it, you'll know it isn't, because if that is so, then people are praising God at the ball games, they are praising God down at the honky tonk, they are praising God at the political rally, if clapping is praising God, Amen. Tongues.

**TONGUES AND INTERPRETATION:** Take heed to that which you have heard. Give ear to what the Spirit of God is saying. Be not motivated by physical senses, but by the Word and by the Spirit and He will lead you in the right paths and He will lead you and guide you in the right way and fall in line with Him and walk with Him and you will find a greater anointing, a greater anointing to pray, a greater anointing to sing, a greater anointing to preach, a greater anointing in every area of life. Honor, reverence the Holy Ghost. Don't endeavor to worship Him physically. Offer your body as a sacrifice unto Him, but with your lips offer the sacrifice of praise. Glory to God. Glory to God. Glory to God.

Now Paul writing to Timothy as a young pastor said, "I would that men pray everywhere." How? Lifting up holy hands without wrath and without doubt. Someone said praise is the highest type of prayer, though praise and prayer go together don't they? Besides that, one definition of prayer is fellowshiping with God and when you praise Him, you sure are fellowshiping with Him aren't you? So you can read that like this, "I would that all men praise everywhere." How are you going to praise God? Lifting up holy hands. Let's lift our hands and praise Him. Lift your hands and praise Him. Ha. Ha. Ha. Ha. Tongues. Hallelujah. Tongues.

## The Corporate Anointing Kenneth Hagin

We're moving up now into the things of God!  
And I heard the Spirit say,  
There will come further revelation along these lines,  
but it has to come line upon line,  
precept upon precept.  
And as it comes,  
men and women will flow with the Spirit,  
and there will be such a manifestation of  
My power and My glory and My Spirit  
and My anointing in these days  
in this decade in which you live  
- that it will startle men.  
Now many who are on the fringes of the move of God  
will draw back and say,  
"Ahhh, that's fanaticism. No, we can't go with that.  
We believe in doing things in a nice, sedate manner."  
Never, never, never feel resentment  
toward others who may criticize you,  
or who may speak against you.  
Never allow the least bit of resentment  
or ill will, or bad feelings, but walk on.  
Walk on in love  
Walk on in power.  
Walk on in the Spirit.  
Walk on with the Lord,  
and He'll come unto thee and  
manifest Himself unto thee.  
And it is even written in  
the Holy Scriptures  
that His coming unto us  
shall be as the rain.

And so the Holy Ghost will fall,  
and the power of God will be in  
manifestation, and great shall  
be the reward thereof.  
And many shall be blessed,  
and great and good days stand just ahead.  
Walk on. Yea, ye shall see,  
for the glory of the Lord  
shall appear unto thee.  
But most will move with the Spirit,  
and all will acknowledge,  
"There are miracles happening over there.  
I guess God just saw fit to have mercy on them."  
But no, they saw fit to flow with God.  
And they saw fit to go with God.  
And His glory will fill that temple.  
Many will say,  
"I just don't go along with those things.  
We have a pretty good church here.  
God has put His approval upon us."  
But yea, saith the Lord of Hosts,  
I only put my approval upon  
that which lines up with my Word.  
Get into the Word  
and let the Spirit open the Word to you.  
Not only unto your mind,  
but get the revelation of it in your spirit.  
And your spirit will be more alive  
unto the things of God.  
And He - through your spirit - will be able  
to teach you, and admonish you, and direct you.

Dr. Kenneth E. Hagin

{Tape 2, Side one}

Hallelujah. Thank You, Father. Hallelujah. Thus saith the Lord, That which I said unto you will now come to pass. You see, there is a time for all things. And though something has been said, and though something has been promised, it doesn't necessarily happen overnight.

For it has been said centuries ago, centuries before Christ ever came it was prophesied, it was said that He would come, and He came. And then He Himself said that He's coming again. Well, years have come, scores of years. A couple of centuries have come...but He will come.

And so the Spirit has spoken unto many who have sat here tonight, and has said certain things unto them concerning their life, concerning their ministry, concerning their family and even some things have been said concerning the nation. And now it is time.

It shall come to pass. It shall come to pass. The Spirit keeps saying, *It shall come to pass, it sh...*[tongues].

Those secrets that you've prayed out with the Father, for it's written, "He that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the Spirit he speaketh mysteries or divine secrets." And so those secrets that you talked to God about, those mysteries that you've prayed through...aye, aye, hey, into manifestation shall they come.

For this is the day, and this is the hour, and this is the time. Now at this time there shall be a greater manifestation of the *spirit of seeing* and the *spirit of knowing*. A greater manifestation of the revelation gifts of the Spirit — the word of wisdom, the word of knowledge, discerning of spirits.

You've seen a sprinkling of these things, here a little, there a little, But now you shall see, for it shall shortly — oh, yes, yes, now. Now. Now. Not just shortly, but not, now! Come to pass. A *spirit of seeing*, the *spirit of knowing* into manifestation shall come. And the spirit of seeing and the spirit of knowing into manifestation having come, will bring you into a place of greater faith. Yeah.

And the *gift of faith*, special faith shall be in manifestation. Now you've seen it and observed it in manifestation in a measure, but no one has ever seen the measure in which it will be manifested in these days.

And the working of miracles, working of miracles into the full orbit of manifestation shall come. And the gifts of healings, gifts of healings, like showers of rain falling everywhere, gifts of healings in manifestation.

And the glory of the Lord will shine upon His people, and the glory of the Lord shall be seen upon His people. Ha-ha-ha-hah-hah-hah-hah-haaah. hah-hah-hah...And the cloud of His glory shall be seen by

many at times, for into full manifestation, even as the cloud filled the temple of Solomon when it was dedicated. The cloud filled the temple, the glory of the Lord filled the temple so that the priests could not stand to minister. So it shall be the spiritual temple. The Church of the living God, filled with the Spirit...hah-hah-hah...People will not be able to stand, but in His Presence fall.

You think these things are strange. These are just the beginnings. Now walk in reverence before Me, saith the Lord. Respond unto the call of God. Respond unto those whom I have put into position of leadership. Respond unto the prophet, and so thou shalt see the glory of God upon thee, upon thy family, upon thy loved ones, upon those round about you...and the blessing shall flow like rivers of living water. Hah, hah, hah, hah, hah, [tongues].

No! No, no, no, no. No.

Ha-ha-ha-hah...[Tongue continues]...You see, tongues with interpretation is equivalent to prophecy. So I speak with tongues and I interpret. Or, I could prophesy. But He has a divine purpose, and...[tongues]...So thou shalt see, so thou shalt see...so it shall be manifested unto thee. Manifested unto thee. And thou will not have to ask your neighbor, *ha-ha*, you'll know for yourself. And you will not have to inquire of a friend concerning the future, thou shalt know for thyself. Thou shalt know for thyself.

[Tongues]...I-I-I-I'm reluctant to say that, Lord. I-I-I-I'm reluctant to say that. I-I-I-I'm reluctant to say that. Oh. Whooh...[Tongues]...Oh, it shall come, it shall come, it shall come to pass, it shall come to pass...Ere, ere, ere this year is out, it shall come to pass.

*Hah-hah-hah*. Whooh. Whooh. Whooh...[tongues] *Ho-ho-ho-ho-ho, ho-ho-ho-ho-ho*...[long tongues].

It shall come to pass. It shall come to pass. It shall come to pass at last...*ha-ha-ha-hah*...[tongues]...That which has held, that which is bound, that which has deterred, that which has hindered...shall be taken out of the way. The last vestige, the last vestige shall be removed.

*Hah-hah. Ha-ha-ha-hah-hah. Ha-ha-ha-hah-hah. Hah-hah-hah-hah-hah-hah*...[tongue]...And it shall come. Oh, my. Oh, my. Oh, my. Oh, my! [Tongues, weeping]...*Ooooooh. Ooooooh. Ooooooh. Oh! Oh, my! Oh! Hah! Hah! Hah! Hah! Hah! Hah! Hah!*

[Tongues, weeping]...I'm at fault. I'm at fault. I'm at fault. I'm to realize that, Uh, but under — mmm, hmm-mm, that's wrong. That's wrong. That's wrong. That's wrong. I'll not say that. *Ha-hah. Ha-ha-hah*. No, no, that's not true. That's not true. All I ask is just forgive me...[tongues]...and I'll do better next time...and the next time...and the next time...and the next time...and the next time...[weeping] next time. *Aah...aah...ooh...*

Oh, my. My, what is that? What is that I see? Ooh, shining so bright. Shining light. Shining from heaven. What is that? Ooh. Ooh. My, how do you describe it? *Whooh-whooh-hah-ha-ha-hah-hah-hah*...*Ohhh...ohhh*...Oh, what can you say about it? My. My, my, my, my, my. Awesome. Awesome. Yes, you want to weep, and yet you want to shout. You want to cry. And yet you want to laugh. Aah, what is it? I can see it drawing nearer...nearer...nearer.

Yeah. Yeah. Yeah, I remember that now. I remember what You said out there at Las Vegas in that meeting, yeah, I remember what You said. And I've told a portion of that, *hah-hah-hah-hah*, and so they have to walk in the light of that which has been shed before more light will come. And that's what I see is the glo— My, my, my, my. My, my...blinding light. Blinding light. Shew. Shew. Great orb, orb of light.

[Tongues]...Fall? Fall? The fall of this year? It's not far. October. October. Oh, my. My, my, my, my, my. Yeah. Yeah. And so now then the rest of that what I said to you in Las Vegas and now as the people walk in the light of it, the rest of it shall come to pass. Ere the year — October — *ha-ha*, yeah, that's fall, that's fall. That's what You said, fall, yeah. Yeah. Yeah. *Hah-hah. Hah-ha-hah-hah.*

My, my, my, my. We're going. We're going with God. We're going. We'll go off and leave some, but we're going with God. We're going with God. We're going with God. We're going with God!

*Ah-hah-hah-hah-hah-hah. Shew. Shew. My, my, my, my, my. He that speaketh in an unknown tongue speaketh not unto men but unto God: for no man understandeth him; howbeit in the Spirit...in the Spirit he speaketh mysteries, divine secrets. Secrets of things that are. Secrets of things that are to come. Ha-ha-ha. Ha-hah. Aha...*

Praying always with all prayer and supplication in the Spirit and watching thereunto with all perseverance, and supplication for all saints. And so we do, and so we shall, and so we will...in the light.

Oh, my. That's, that's, that's amazing. I don't understand that. That's the reason it's a mystery is because you don't understand it. If you understood it, it wouldn't be a mystery. *Ha-ha-ha. Ha-ha-hah-hah. Ah, unh, unh.* But when it comes to pass, then you'll know. When it comes to pass, then you'll know.

*Shew. Shew. Shew. Shew. Whew. Whew. My, my, my, my. What — My, my, my, my, my, my. That, that, that...ha-ha-ha-ha-ha-hah. My, my, my, my, my. I understand that. I understand that. Yeah. That's the reason it's gonna happen in October, because that's St. Louis. That's the center and the heart of the nation. Yeah, uh-huh. Yeah. Oh, my. Ooooooh! Ooooooh! Hah! Hah! Hah! Hah-hah-hah-hah-hah! Oh, my! Yeah. Yeah, it'll spread. Yeah, it'll spread. Yeah. Yeah, yeah, yeah, yeah. Ha-hah-haaaah! Ha-ha-ha-haaaah! Spread all over the nation.*

[Tongues]...Yeah. Yeah. I understand a little, and I guess that's all You want me to know. [Tongues]...But...

And it'll be manifested here. And it will be manifested there. And it will be manifested here. And it will be manifested there. And it will be manifested here. And it will be manifested there. And it will be manifested here. And it will be manifested there. And it will be manifested way, way over there. Aha, and it shall begin. It shall begin in the very center of the nation.

Yeah. Yeah. *Shew. Shew. Shew.* Uh, I see that, but I don't know what it means. Oh. Oh. My, my, my. Yeah. Oh. I see now. I see now. I understand. I understand. I understand, understand, understand, understand. That which not exactly you struggled, but that which you've contended for, I guess — no, that's not a good word. That which yeah. Yeah. Yeah, yeah, yeah. Yeah. Yeah. *Hah-hah.* Be completely removed, completely removed. And then you will know. You will know. For unto

thee will I show the full meaning of the divine glow. Aha. And others will be invited to walk in the light of it, and so they shall. The glory of the Lord will shine upon His people.

Aha. And almost yes, there has been a measure, I guess. Yes, did see some of those things 50 years ago. That which we've only seen in a measure...in a greater manifestation it shall come. That's what that means. That's part of the meaning.

Oh, that's just a little bit. I know that. That's just a little bitty bit of that. I know. But it's a beginning, the beginning. Shew.

I stand in awe. Oh. Oh. Oh, my, my. Shew. Shew. Shew. I stand in awe. Aah, aah, aah, aah, aah...oh, my. My, my. My God. My — I-I, I oh, my. Oh, my, my, my. Oh, my, my, my, my. I-I, oh, my, my, my, my. Oh, my, my, my, my, my. My, my, my...[tongue]...aah. Aah. Oh, my. My. Aah. Oooh. Haah, haah [weeping]...[tongues]...Aaaah. Oooh. Oh, my, yes, from my heart, my spirit, I want to...but from the nat, nat, natural, the flesh, I guess...I don't want to. I started to say that's just not my nature. **{Tape is blank from this point, something seems to be left out here.}**

**{Side two}**

...have to be changed. It will have to be changed. It will be changed. Changed! Change! Oh, that's what that was about.

Ha-ha-ha-haaah-haaah-haaah! Hah! Hah! Hah! Hah! Hah! Yeah. Yeah. Change for the better. Great change is coming. Great change. Great change. Oh, my, my, my, my. My, my, my, my, my, my, my! My, my, my!

Whew. Whew. Yeah. Yeah. Get ready for it. Prepare for it.

Well, how do you get ready for it? How do you prepare for it? Just be humble in My sight. Think little of yourself. Prefer your brother before you, and I'll exalt you. For he that humbles himself shall be exalted, but he that exalteth himself...uh-oh.

My, my, my. I wish I could just get out of the way. Oh, my, my, not that men would see me. Oh, but they would see God and see Jesus and see the Holy Ghost. I wish I could hide. Oh, my. My, my, my, my.

But I'll walk in it. I'll walk in it. Now, it'll be different. It'll be different with thee. Ha-ha-ha. It'll be different with all those who are desirous of walking in the fullness of God.

It'll be different in your spirit, for you'll be conscious on the inside of you of the Holy Ghost in a measure that you've never been conscious of Him before. And you'll be conscious of Him at work in your soul realm. Emotions, mind, thoughts. You'll be conscious of Him at work in your body, for you'll be strong in body, strong. Symptoms, lying...lying symptoms of the devil will dissipate and disappear. And your body will work perfect. Now believe it, look forward to it with great anticipation. And it shall come to pass.

And someone said, "Well, who is that for?"

The Word that is spoken is for everyone that needs it, and it will come to pass in the lives of everyone who believes it. Ha-ha-ha-haah. Ha-ha-ha-hah. Ha-ha-ha-ha. I believe. I believe. I believe! I believe! I believe! Ha-ha-ha-ha-ha-hah! Hah-hah-hah!

Shew. Shew. Shew. Ha-ha-ha. Ha-ha-hah. My, my, my, my. Well, I'm reluctant. I'm reluctant, but I'll do it. I'm reluctant but I'll do it, because You said do it.

Walking. Walking in the light. Walking. Walking in the Word. Walking. Walking in the Spirit. Walking. Walking in the will of God. Walking in His plan, in His purpose and so it shall be consummated.

And the end is at hand. What about the end? It is written, "Nation shall rise against nation, kingdom against kingdom..." Earthquakes, famine. Many of these things have already come to pass. Many more shall shortly come to pass. It is written, "Evil men and seducers shall wax worse and worse, deceived and being deceived." And so you see it all around you. Evil men. Crime wave. Evil men and seducers. Evil men waxing worse and worse. Many being deceived. Oh, yes.

But we are not deceived. Ha-ha-ha-ha-hah. For the curtain has been drawn, hah-hah, and the glory of the Lord shines. And the cool breeze of the wind of the Spirit is blowing. Ha-ha-hah. And though the world waxes worse and worse, and in darkness does wallow...yet the saints, the people of God, have light in their dwelling. Hah-hah. And they walk in the light, the Word. They walk in the light, the Spirit. And they walk in the light of God's plan and purpose. And the glory of God shines all around about.

Hah-hah. Many shall be turned unto the Lord. Many shall be turned unto the Lord. Great, great, great — beyond your imagination — if it could be told you, if it was told you, it would be difficult for you to believe what shall shortly come to pass at the end of this year...next year...and the next year...and the next year. Oh, my. My! Ha-ha-ha-ha-ha-haah. Aaah.

But somebody said, "I may not be here next year."

You will if you believe Me, saith the Lord.

And another said, "I might not be here the next year, or the next year. 2,000."

You will if you believe Me, said the Lord. For you see, I have some things for you to do that you haven't done yet. Ha-ha-hah, ha-hah. And I have a work for you to fulfill. Both those in the ministry and those in the laity and the ministry of helps. there is work. There is work. There's work! There's work to be done!

Here am I. Here am I. Say it from your heart, "Here am I. Here am I. Here am I. Send me, Lord! Use me, Lord!" Hallelujah. Now if you really meant that, lift both hands and praise God.

Shew. Shew. Shew. Shew. Glory. Glory. [Tongues]...Now some may wonder, saith the Spirit, some may question. "I don't understand."

Yet, thus saith the Lord, I'm giving you a demonstration of the Spirit, demonstrating how you can pray. How to pray in the Spirit. How to pray out mysteries. How to pray out secrets. For those things will not come to pass until you pray them out in your family, in your life, in your church. For they must be prayed out in the Spirit.

And so how will they know, but there is the demonstration thereof. And men cannot say, "I did not know. I did not see." For you heard, you saw and you know.

Let's all stand. Thank You, Jesus. Thank You, Jesus. Thank You, Jesus.

Shew. Shew. Man. There's just not any way to tell it. You get into the Spirit and get to seeing into the future, boy, ha-ha-ha-ha, it looks bright. There's no way to tell what you saw.

Paul said, "I knew a man in Christ above 14 years ago..." All theologians believe he's talking about himself. "I knew a man in Christ above 14 years ago, whether in the body or out of the body, how that he was caught up into the third heaven. And I knew such a man, whether he was in the body or out of the body, how he was caught up into Paradise and he heard words unspeakable." Another translation says "which is not lawful to speak."

Well, sometimes there's no way you can speak it, and you see things. There's no way in the world you could tell it. I mean if you were way up at the North Pole running into an Eskimo, how would you describe to him what a tree looked like? He's never seen a tree in his life. You get, you get, you get...Hah-hah-hah-hah! Ha-ha-ha-ha-hah! Shew. You get over into the spirit realm and begin to see some things and see some things that are going to come to pass and are coming to pass...and how are you going to tell it? Sometimes you can't do anything but wait till you get there. Shew. Glory to God, there's no way to explain it. There's no way. There's no way to describe it. Praise God.

Turn and take your neighbor by the hand and say, "I'm walking." "Walking...[cong. Repeats]...in the Word...walking in the Spirit...walking with God...walking in His plan...pursuing His purpose...and fulfilling His will." Hallelujah. Hallelujah.

Turn around. Ha-ha-hah. It's going to turn around. You can turn around if you want to physically as a demonstration. As a demonstration. But it's going to turn around! It's going to turn around. It's already turning around. You're going to be better. You're going to feel better. You're going to act better. You're going to do better. Ha-ha-ha-ha.

Shew. Shew. Shew. Shew. Ha-ha. It's gonna turn around.

Blaine, it's gonna turn around! Glory to God, hallelujah. Ha-ha-ha-hah. Shew. Gonna turn around. It's gonna turn around. Gonna turn around. Shew. Ha-ha-ha-ha. Ha-ha-ha-ha.

Now it may not seem like it in some cases. Like for instance the Williams here. May not seem like it. But the best is yet to come. Aaah. Shew. Whew.

I'd better get started. Shew.

You know, now maybe you can understand something. You know in the 5<sup>th</sup> chapter of Acts, you know, Ananias and Sapphira, they conspired, you know, they sold property and claimed that they gave all of it to God. Now if they'd have come in and said, "We're giving half, that would have been all right."

But you see, the word of knowledge was in operation and Peter said, "Ananias, that's what you sold that land for?"

"Yeah, that's it."

He said, "Why has Satan filled your heart to lie to the Holy Ghost?" He fell down dead and the young men took him out to bury him.

Three hours afterwards. Three hours. Read it, it says so. Three hours afterwards, she came in, his wife. Ananias and Sapphira. She didn't even know he was dead. They're still in the same service three hours afterwards. We'd better be careful saying we're full gospel and Pentecostal. Shew. Three hours afterwards she came in. Peter said, "Sister Sapphira, did y'all sell that land...?"

"Oh, yeah, that's right, that's what we sold it for."

Said, "The young men carried your husband out their feet are at the door." and she fell down dead.

We're approaching some *awes, awes, awes*, awesome times. Some people are going to think they're terrible...for them. But we're approaching some awesome times in the Spirit. In the *real* Church world.

I don't know about you, but I'm going to stay hooked, stay put. Hey, hey. Amen?

*Aaah. Aaah.* Ha-ha-ha-ha. My, my, my, my, my. My, my, my, my, my. Thank You, Lord Jesus. Praise God. Thank You, Lord. What was that you said there to me awhile ago, Lord, if you'd just say that again. I'd — oh, yeah. Yeah, yeah, yeah. Ha-ha-ha-hah. Shew. Shew.

Everybody that's going with God, say "I will." Say it again, "I will" "I will!" Hallelujah. You're dismissed. *Glory to God.* Thank You, Lord. Thank You, Lord.

PROPHECY:  
Kenneth E. Hagin  
Campmeeting 1997

Thus saith the Lord: "That which I said unto you will now come to pass. You see there is a time for all things. And though something has been said, and though something has been promised it doesn't necessarily happen overnight.

"For it has been said centuries ago, centuries before Christ ever came it was prophesied, it was said, That He would come and He came.

And then He Himself said, That He's coming again"

Well years have come, scores of years, a couple of centuries have come but He will come. And so the Spirit has spoken unto many who sit here tonight and has said certain things unto them concerning their life, concerning their ministry, concerning their family, and even somethings have been said concerning the nation.

And now IT IS TIME!

It shall come to pass, it shall come to pass. The Spirit keeps saying, "It shall come to pass. It shall -- Tongues -- those secrets that you prayed out with the Father. For it is written. 'He that speaketh in an unknown tongue speaketh not unto men but unto God. For no man understandeth him. Howbeit in the Spirit he speaketh mysteries or divine secrets.

And so those secrets that you talked to God about, those mysteries that you prayed through. EH -- eh -- eh -- into manifestation shall they come. For this is the day and this is the hour, and this is the time.

Now, at this time there shall be a greater manifestation of the spirit of SEEING and the spirit of KNOWING

A greater manifestation of the revelation gifts of the Spirit. The word of wisdom, the word of knowledge, discerning of spirits. You've seen a sprinkling of these things, here a little, there a little. But now you shall see -- ha, ha -- for it shall shortly -- oh yes! Yes! Now! Now! Not just shortly but NOW! !! NOW! !! Come to pass.

A spirit of SEEING, the spirit of KNOWING into manifestation shall come. And the spirit of SEEING and the spirit of KNOWING into manifestation having come will bring you into a place of greater faith. Yeah, and the gift of faith, special faith shall be in manifestation. Now you've seen it -- in -- and observed it in manifestation in a measure! But no one has ever seen the measure in which it will be manifested in these days. And the working of miracles, working of miracles in the full orbit of manifestation shall come. And the gifts of healings, gifts of healings -- like showers of rain falling everywhere. Gifts of healings in manifestation.

And the glory of the Lord will shine upon His people. And the Glory of the Lord shall be seen upon His people. Ha, ha, ha...

And the cloud of His glory shall be seen by many at times. For into full manifestation, even as the cloud filled the temple of Solomon when it was dedicated. The cloud filled the temple, the glory of the Lord filled the temple so that the priests could not stand to minister. So it shall be, the spiritual temple, the Church of the living God! Filled with the Spirit. Ha, ha, ha, ha....

People will not be able to stand. But in His Presence fall. You think these things are strange. These are just the beginnings. "Now walk in reverence before Me," saith the Lord. "Respond unto the call of God. Respond unto those whom I have put into position of leadership. Respond unto the prophet. And so thou shalt see the glory of God upon thee, upon thy family, upon thy loved ones, upon those around about you! And the blessing's shall flow like rivers of living water. Ha,ha, ha....

Yea, Tongues -- no, no, no, no, no! No! Tongues -- You see tongues with interpretation is equivalent to prophecy. So I speak with tongues and I interpret. Or could prophesy. But He has a Divine purpose and -- Tongues -- So thou shalt see, so thou shalt see, so it shall be manifested unto thee. Manifested unto thee.

And thou will not have to ask your neighbor, ha, ha, you'll know for yourself. And you will not have to inquire concerning -- of a friend concerning the future. Thou shalt know for thyself. Thou shalt know for thyself.

Tongues -- I'm reluctant to say that Lord. I - I - I'm - reluctant to say that. I - I - I'm reluctant to say that.

Ohhh! Hooo! Tongues -- Oh it shall come, it shall come, it shall come to pass. It shall come to pass.

Ere, ere, ere this year is out it shall come to pass. Ha, ha, ha.

Oh! Oh! Oh -- Tongues -- [laughter] Tongues -- you don't know --Tongues -- you don't know --Tongues -- YOU DON'T KNOW -- Tongues --, yeah, yeah, -- Tongues -- it shall come to pass. It shall come to pass. it shall come to pass at last. [Laughter] Tongues -- that which has held, that which has bound, that which has deterred, that which has hindered shall be taken out of the way. The last vestige, the last vestige shall be removed. ha, ha. Ha, ha, ha....

Tongues -- and it shall come. Oh my, oh my, oh my, oh my. oh [with emotion] Oh -- Tongues -- [much emotion] oh, oh, oh, oh -- oh my, oh my -- Tongues - I'm at fault, I'm at fault, I'm at fault! I do realize that! But under --

3

mmmm, mmm, that's wrong, that's wrong, that's wrong, that's wrong! I'll not say that. Ha, ha, ha...

No, no, that's not true, that's not true. All I ask is just forgive me. Tongues -- and I'll do better next time. And the next time, and the next time, and next time. And the next time [emotionally] next time.

Oh, oh my, my what is that? What is that I see? Ohhh shining so bright. Shining light, shining from heaven, what is that? OHHH. Ohhh, my! How do you describe it? WHOOOO! OHHHH! OHHHH! Oh what can you say about it? My! My, my, my, my, my.

Awesome! Awesome, yes you want to weep. And yet you want to shout. You want to cry. And yet you want to laugh Ah, what is it? I can see it drawing nearer, nearer, nearer, yeah! Yeah! Yeah! I remember that now. I remember what You said out there at Las Vegas in that meeting.

Yeah, I remember what You said. And I told a portion of that, ha, ha, ha...and so they have to walk in the light of that which has been shed before more light'll come. And that's what I see as the glow -- my, my, my, my! My! My, my, my blinding light, blinding light. Pshew! Pshew! Great orb, orb of light. Tongues -- fall! Fall! The fall of this year? It's not far -- October, October! Oh my! My, my, my, my, my.

Yeah, yeah, and so now then the rest of that what I said to you in Las Vegas and now as the people walk in the light of it the rest of it shall come to pass. Ere the year -- October! Ha, ha, yeah that's fall, that's fall, that's what You said fall, yeah! Yeah! Yeah! Ha, ha, ha...

My, my, my, my we're going! We're going with God. We're going! We'll go off and leave some but we're going with God. We're going with God! We're going with God!

We're going with GOD! Ha, ha, ha, ha...pshew! Pshew, pshew...my, my, my, my, my. He that speaketh in an unknown tongue speaketh not unto men but unto God for no man understandeth him. Howbeit in the Spirit, in the Spirit he speaketh mysteries. Divine secrets. Secrets of things that are, secrets of things that are to come.

Ha, ha, ha, ha, ha...praying always with all prayer and supplication IN THE SPIRIT and watching "hereunto with all perseverance and supplication for all saints. And so we do and so we shall, and so we will! And the light, oh my, that's, that's, that's amazing. I don't understand that.

That's the reason it's a mystery is because you don't understand it. If you

understood it it wouldn't be a mystery. Ha, ha, ha...un, uh...

But when it comes to pass then you'll know. When it comes to pass then you'll know. Pshew, pshew, pshew, pshew....

My, my, my, my what! My, my, my, my...that, that, that, that, ha, ha, ha...my, my, my, my.

I understand that! I understand that. Yeah! That's the reason it's going to happen in October. Because that's St. Louis, that's the center and the heart of the nation. Yeah! uh huh, yeah!

Oh MY! OOHHHHH WH0000! HA, HA, HA, HA, HA, HA, HA...OH MY! YEAH! That'll spread. Yeah it'll spread, yeah, yeah, yeah, yeah, yeah, HA, HA, HA, HA, HA....

Spread all over the nation. Tongues -- uh huh, uh huh, yeah, yeah, yeah, yeah, I -

- I - I understand a little and I guess that's all You want me to know. Tongues -- ha.

ha, ha, ha, and it'll be manifested here, and it'll be manifested there, and it'll be manifested here, and it'll be manifested there, and it'll be manifested here., and it'll be manifested there, and it'll be manifested way, way over there. Uh huh, and it shall begin.

It shall begin in the very center of the nation. Yeah! Yeah! Pshew! Pshew! Pshew, uh. I -- I -- I see that but I don't know, I don't know what it means.

Oh, oh, my, my, my, oh I see now, I see now, I understand, I understand, I understand, I understand, I understand -- that that which -- not exactly you struggled but that which you contended for I guess, no, that's not a good word. That which you - - yeah, yeah, yeah, yeah, yeah, yeah! Tongues -- ha, ha, ha

Be completely removed, completely removed and then you will know, You - will - know for unto thee will I show the full meaning of the divine glow. Ha, ha, ha. And other's will be invited to walk in the light of it and so they shall. And the glory of the Lord will shine upon His people. Ha, ha...

And almost, yes, there has been a measure I guess. Yes, I did see some of those things 50 years ago. That which we've only seen in a measure in a greater manifestation shall come.

That's what that means, that's part of the meaning. Oh that's just, that's

just a little bit. I know that, that's just a little bitty bit of that, I know. But it's a beginning. The beginning.

Pshew, I stand in awe, oh, oh, oh, oh, oh, oh, my, my, pshew. I stand in awe! I - I - I - I oh my, my, my, my I - I - I - oh my! Oh my, my, my, oh my, my, my -- Tongues -- oh my, my, my, ohhh, [emotional] Tongues -- I - I - I - Oh my yes, from my heart, my spirit, I - I want to. But from the natural, natural, the flesh I guess, I don't want to. I don't want to.

I started to say, "That's just not my nature." ha, ha, ha, but it'll have to be changed. It - will - have - to - be - changed! It - will - be - CHANGED! CHANGED! CHANGED! Oh that's what that was about? Ha, ha, ha, ha, ha [laughter] Yeah, yeah, changed for the better. Great change is coming, great change, great change.

Oh my, my, my, my, my... pshew...yeah, yeah, get ready for it, prepare for it. Now how do you get ready for it? How do you prepare for it? Just be humble in My sight. Think little of yourself. Prefer your brother before you and I'll exalt you. For he that humbleth himself shall be exalted. But he that exalteth himself -- oh oh, my, my, my, I wished I could just get out of the way. Oh my, my, my not that men would see me. Oh but they would see God and see Jesus and see the Holy Ghost.

I wished I could hide. Oh my, my, my, my my BUT! I'll walk in it. I'll walk in it. Now it'll be different. It'll be different with thee. Ha, ha, it'll be different with all those who desire -- who are desirous of walking in the fullness of God. It'll be different in your spirit. Or you'll be conscious on the inside of you of the Holy Ghost in a measure that you've never been conscious of Him before.

And you'll be conscious of Him at work in your soul realm, emotions, mind, thoughts. You'll be conscious of Him at work in your body for you'll be strong in body. Strong. Symptoms, Iying sy, sy, sy, sy, sy, sy Iying sy, sy, symptoms of the devil will dissipate and disappear. And your body'll work perfect.

Now believe it, look forward to it with great anticipation and it shall come to Pass.

And someone said, "Well who is that for?" The Word that is spoken is for everyone that needs it! And will come to pass in the lives of everyone who believes it. Ha, ha, ha....

I believe, I believe, I BELIEVE! I BELIEVE! I BELIEVE. Ha, ha, ha, ha, ha... Pshew, pshew, ha, ha, my, my, my, my well I'm reluctant, I'm reluctant but I'll do it. I'm reluctant but I'll do it because You said do it.

Walking, walking in the light, walking, walking in the Word

Walking, walking in the spirit, walking, walking in the will of God.  
in His purpose, and so it shall be consummated.  
Walking in His plan,  
And the end is at hand.  
What about the end?  
It is written nation shall rise against nation,  
Kingdom against kingdom.  
Earthquakes, famine, many of these things have already come to pass.  
Many more shall shortly come to pass.  
It is written evil men and seducers shall wax worse and worse,  
Deceived and being deceived.  
And so you see it all around you.  
Evil men, crime wave, evil men and seducers.  
Evil men waxing worse and worse.  
Many being deceived.  
Oh yes, but we are not deceived.  
Ha, ha, ha, ha, ha.  
For the curtain has been drawn.  
Ha, ha.  
And the glory of the Lord shines.  
And the cool breeze of the wind of the Spirit Is blowing.  
Ha, ha, ha.  
And oh the world waxes worse and worse.  
And in darkness does wallow!  
Yet the saints, the people of God,  
Have light in their dwelling.  
Ha, ha.  
And they walk in the light, the Word.  
They walk in the light, the Spirit.  
And they walk in the light of God's plan and purpose.  
And the glory of God shines all around about,  
Ha ha.  
Many shall be turned unto the Lord.  
Many, shall be turned unto the Lord.  
Great, great, great!  
Beyond your imagination,  
If it could be told you,  
If it was told you it would be difficult for you to believe  
What shall shortly come to pass.  
The end of this year, next, year, and the next yyeearr,  
And the next year,  
Oh my! My! Ha, ha, ha, ha.  
But somebody said, "I may not be here next year."  
"You will if you believe Me," saith the Lord.  
And another said, "I might not be here the next year,  
Or the next year two thousand."  
"You will if you believe Me," saith the Lord.  
For you see I have some things for you to do that you haven't done yet.  
Ha, ha, ha.

And I have a work for you to fulfill.  
Both those in the ministry and those in the laity,  
And the ministry of helps.  
There's work, there's WORK! THERE'S WORK!  
THERE'S WORK to be done.  
Here am I, here am I.  
Say it from your heart, here am I!  
Here am I, here am I send me Lord!  
Use me Lord! Hallelujah.

---

Now if you really meant that lift both hands and praise God.  
Glory! Glory! TONGUES --

"Now some may wonder," saith the Spirit.  
"Some may question, I don't understand."  
"Yet," thus saith the Lord .  
"I've given you a demonstration of the Spirit."  
Demonstrated how you can pray.  
How to pray in the Spirit.  
How to pray out mysteries.  
How to pray out secrets.  
For those things will not come to pass  
Until YOU pray them out,  
In your family, In your life.  
In your church.  
For they must be prayed out in the Spirit.  
And so how will they know?  
But there is the demonstration thereof,  
And men can not say, "I did not know, I did not see. "  
For you heard, you saw and you know.

---

Let's all stand. Thank You Jesus.  
Man, there's just not any way to tell it. You get in the Spirit and get to  
seeing into the future boy! Ha, ha, it looks bright! There's no way to tell  
what you saw. Paul said, "I knew a man in Christ above fourteen years  
ago." All theologians believe he's talking about himself. "I knew a man in  
Christ above fourteen years ago, whether in the body or out of the body"  
how that he was caught up into the third heaven. "And I knew such a man.  
Whether he was in the body or out of the body" how he's caught up into  
Paradise and he heard words unspeakable.

Another translation said, "Which is not lawful to speak."  
Well sometimes there's no way you can speak it. And you see things. There's  
no way in the world you can tell it. I mean if you was way up in the North  
Pole and run into an Eskimo how would you describe to him what a tree

looked like? He's never seen a tree in his life.

You get [tongue got confused] -- ha, ha, ha, ha, pshew.

You get over into the spirit realm and begin to see somethings and see somethings that are going to come to pass, and they're coming to pass and how are you going to tell it?

Sometimes you can't do anything but wait until you get there. Pshew, glory to God, there's no way to explain it, there's no way! There's no way to describe it!

Praise God. Turn and take everybody the hand and say, "I'm walking, Walking in the Word. Walking, walking in the Spirit, walking, walking with God. Walking, walking in His plan. Pursuing His purpose and fulfilling His will." Hallelujah.

Turn around, it's going to turn around, you can turn around if you want to physically as a demonstration, as a demonstration! But it's going to turn around! It's going to turn around. It's already turning around. Pshew, you're going to be better. You're going to feel better, you're going to act better. You're going to do better. Ha, ha, ha, ha, ha.

It's going to turn around. Blaine, it's going to turn around. Glory to God, hallelujah. Ha, ha, ha pshew it's going to turn around. It's going to turn around. Going to turn around. Pshew, pshew, ha, ha, ha...

Now it may not seem like it in some cases, like for instance the Williams here. It may not seem like it but the best is yet to come. Ha, ha, ha. Pshew, pshew. I'd better not get started, ha, ha, ha...

You know, now maybe you can understand something. You know in the 5th chapter of Acts, you know, Ananias and Sapphira, they conspired, you know, they sold property and claimed that they gave all of it to God. Now if they'd come in and said, "We're giving half." That'd been all right.

But you see the word of knowledge was in operation and Peter said, "Ananias, is that what you sold that land for?" "Yeah, that's it."

He said, "Why has Satan filled your heart to lie to the Holy Ghost?"

He fell down dead. The young men took him out to bury him. Three hours afterwards, three hours -- read it it says so. Three hours afterwards, she came in, his wife, Ananias and Sapphira. She didn't even know he's dead. They're still in the same service three hours afterwards. You better be careful saying, "We're Full Gospel and Pentecostal." Pshew.

Three hours afterwards, she came in. Peter said, "Sister Sapphira, did you all sell that land...?"

"Oh yeah, that's right that's what we sold it for."

He said, "The young men that carried your husband out, their feet are at the door." She fell down dead.

We're approaching some awesome times. Some people are going to think they're terrible for them. But we're approaching some awesome times in the Spirit. In the real Church world. But I'm going to -- I don't know about you but I'm going to stay hooked. Stay put. Ha, ha, Amen

[Started to say something and couldn't] ha, ha, my, my, my, my, thank You Lord Jesus. Praise God, thank You Lord.

What was that You said to me awhile ago Lord? If You'll just say that again. Oh yeah, yeah, yeah, ha, ha, ha. Pshew, pshew, Everybody that's going with God say I will.

Say it again? I will! I WILL! Hallelujah. You're dismissed.

Kenneth E. Hagin  
May 31, 1998 at a Holy Ghost meeting in Pennsauken, NJ:

(Tongues with interpretation) "He is just the same today. He never changes and He manifests Himself today as He did of yore. So believe ye and ye shall see. Tune into the Spirit, listen to what He has to say and He'll guide you in the right path and lead you in the right direction. Impart unto your spirit; knowledge and revelation and give illumination unto your mind and so you shall rejoice and be exceedingly glad (ha, ha, ha) for the Lord is at work and He is the same today as He was yesterday." Rev. Hagin continued by saying, 'there have been different revivals through the years. A revival is a renewal. You can't revive something that hasn't been there before. At the turn of the century that was the outpouring of the Holy Ghost: speaking in tongues and baptism in the Holy Ghost and out of that came all the Pentecostal movements. Healing needed to be renewed so there was the Healing Revival from 1947-58. Then there was the Charismatic move. God visited denominational churches and hungry people everywhere and filled them with the Holy Ghost from 1950-1959. But people needed to be taught. They are not going to make it unless there are. So there came a revival of the teaching ministry. In more recent times, we had a revival of joy since people got dead and dry and they needed a revival of joy. Renewal. Renewal. And so folks rejoiced in that and they should. And thank God there are physical demonstrations. People responding to the Holy Ghost.

Laughter is one of them. Psalms 126:1-3 says, "When the Lord turned again the captivity of Zion, we were like them that dream. Then was our mouth filled with laughter, and our tongue with singing: then said they among the heathen, 'the Lord hath done great things for them.' The Lord hath done great things for us; whereof we are glad." Well, thank God our captivity has been turned. Some people call it the laughing revival. Medical science has proved that laughing will lower your blood pressure. Proverbs 17:22 says, "A merry heart doeth good like a medicine." God knew this ahead of time. God wants to help people. There's such a thing as laughing in the Spirit; dancing in the Spirit. On the day of Pentecost, they thought they were drunk. There's such a thing as getting drunk in the Spirit. Thank God for all of that but that's not the ultimate. If you just go there and stop and shout and jump, you're going to miss it. Come on into the full manifestation of the Spirit. In the manifestation of Gifts (of the Spirit) in the visitation of the Holy Ghost visions; the Holy Ghost directing. And the Holy Ghost said, 'separate unto Barnabas and Saul and they being sent forth by the Holy Ghost. It makes a difference.' (being sent by the Holy Ghost versus being sent through man's plans).

(Tongues with interpretation) "We've come full circle. Now it is time to move on. Not keep moving in the same circle but move on; move on into the fullness of the Spirit. Move on into the fullness of His power. Move on into the Outpouring of His Glory until His glory shall be seen upon those who are called and their face shall shine like the face of an angel and their tongues shall be set on fire of God and they shall speak and they shall minister and the Lord shall be magnified and He shall be lifted up and the Glory of God shall be made known among His people. So rejoice and be glad and do not be satisfied to sit still. Do not be satisfied with where you are but move up and move on.

(Tongues and laughter) Hunger, hunger after the things of God. Thirst, thirst after the things of God. Open; be open unto the things of God. Don't be satisfied with where you are. Don't be satisfied with what you got. Want more, desire more, sincerely seek more and He'll manifest Himself unto you. Put Christ above all things. Crucify the flesh; crucify the flesh. Walk in the Spirit and you'll not fulfill the desires of the flesh and the Glory of God shall rest upon you and His power shall be made manifest unto you, and He shall be glorified."
