

WHAT ABOUT THE FUTURE?

On January 18, 1979, in Houston, Texas, during the evening services, while Faith's Creation singers sang, Kenneth E. Hagin saw an angel come flying above the crowd saying, "What about the future? What will it bring? Is it light? Or, is it dark? What will happen?" Another angel came from another direction, made a circle around the first like a bird flying around another bird, and asked, "Do you know?" The first replied, "No, I don't know. Only God knows. But the Spirit of God often informs men." At that, the Word of the Lord came unto Kenneth Hagin, saying, "Son of man, prophesy unto this people"

Before he delivered that Word, Brother Hagin taught an enlightening lesson on the present-day ministry of the prophet. Then he delivered the Word of the Lord before the angels and men present.

Like this writer, most of you were not present. We are making it available on cassette so that many, many more people than those physically present can hear what the Spirit of God is saying to this generation.
