

## The Metropolitan Holy Ghost Society

### **Confession List:** for Family and Loved Ones

#### **The Promise**

This is the promise of God. Me and my house shall be saved! *Acts 16:30*  
I say it. I believe it. I see it. And it shall surely come to pass.

#### **The Blessing**

The blessing of the Lord is strong on me! So strong that it affects my entire family.  
The goodness of God leads them to repentance. *Romans 2:4*  
They come to themselves. The prodigals return. *Luke 15:17*

#### **The Supernatural Influence**

I see them coming afar off and I call it that way. *Luke 15:20*  
I see it before it happens. I picture them worshiping God. *Acts 2:17, Hebrews 11:19*  
I lift up my eyes and see: My sons come in from afar and my daughters at my side. *Is 60:4*  
I have faith in the process.  
I call things that be not (yet) as though they were. *Rom 4:17*  
I call my family blessed, saved, healed, delivered, prospered, and whole-heartedly serving God.

#### **The Angels**

I put angels on assignment with the words of my mouth and keep them there. *Ps 103:20*  
The angels of God minister to my family and direct their steps, causing them to walk in the good ways and bringing the right people across their paths. *Hebrews 1:14, Matt 9:38*  
Out of my mouth comes BLESSING only and not cursing. *James 3:10*  
I persevere in speaking these blessings upon them – salvation is in my mouth. *Pr.12:6*

#### **The Intercessory Prayer**

I've learned to pray in the Spirit (in other tongues) and be glad, and I believe as though I already had – the victory.  
I say this continually, "All things work together for good for me and my entire family."  
*Rom 8:28*
